

POLICY: GIFTS, GRANTS, AND BEQUESTS

The Board may accept any gifts, grants, or bequests donated on behalf of the district. Such donations must meet the laws of the state and be of identifiable benefit to the educational goals and/or operation of the district.

All gifts, grants, or bequests shall become district property upon their receipt and shall be accepted without obligation relative to use and/or disposal.

CRITERIA FOR ACCEPTANCE: To be acceptable, donations must satisfy the following criteria as a minimum:

1. Have a purpose consistent with those of the school and district;
2. Not begin a program or activity which the district would be obligated to fund at such time as donated funds are exhausted;
3. Possess clear potential for benefiting educational opportunities of pupils;
4. District standards shall be met in the selection and installation of donated items, including playground and physical education equipment.

The superintendent, as secretary to the Board of Directors, shall be responsible for conveying the board's appreciation to each donor or group of donors.
