Debate

As the years go by, the debate students of Field Kindley High School will long remember the vivid events of the 1950-'51 debate season. From the start, the squad exhibited their superior oratorical ability by winning first place in the Pittsburg Tournament.

Throughout the year they debated students from the six states of Kansas, Oklahoma, Missouri, Nebraska, Iowa, and Texas on the appalling question Resolved: That The American People Should Reject The Welfare State.

December 9 and 10 was the date for Coffeyville's contest in which teams from three states participated.

When the season ended, the entire squad had acquired a total of 72 wins and 62 losses with some of the individual teams winning 75% of their debates.

For the first time in the K.U.-Lawrence Tourney, Coffeyville won third place in the state of Kansas. Leo Sandon, a first year student, tied as second speaker in this meet with another Coffeyville participant, Clyde Martin, placing third.

B. Corley, Gene Buckley, and Lynn Bartle.

The Tornado Tankers closed the 1950-51 season with a marvelous record of 33 consecutive victories, four Aqua Fiesta championships, and their fourth state championship in as many years.

The season was opened with a bang, with Coffeyville taking both ends of a dual meet with Muskogee. The next fray for Johnny's 'little iron men' was Wichita East which ended in another victory for Coffeyville. The tankers next journeyed to the capital city for a dual with the Trojans. The toughest contest was with North's Redskins in Wichita. The tankers then met for the second time Topeka, Wichita East and North and were victorious in all of these contests.

The state meet was held in the Kindley pool on February 24th. The tankers copped all first places except the 220-yard freestyle, but were second and third in this event. The medley relay composed of Dale Tackett, Bill Smith and Ronnie Smith, splashed home first with a clocking of 1:51. The unbeaten combination of Frank Scott, Larry Miller, Lynn Bartle, and Ray Walthall, were also first in the sprint relay. The total points, for Coffeyville, was 60, the most ever compiled by any school in a state championship meet.

This is the first season, according to Coach Charlesworth, that a boy has gone through a complete season without a defeat. This feat was performed by Dale Tackett. Dale was first in every meet this year, including the state meet.

After the meet the tankers lected Dale Tackett and Larry Miller, Co-Captains for the year. Lynn Bartle crowned Miss Shirley Pitts, Miss Tornado of 1951, at a dance held in the McKindley gym on March 16.
