

PANORAMA COMMUNITY SCHOOL DISTRICT

LIVE BROADCAST OR VIDEO TAPE OF SCHOOL DISTRICT EVENTS

News media or students, for an educational purpose, may video-tape public school district events, including open board meetings as long as it does not interfere with or disrupt the school district event and it does not create an undue burden in adapting the facilities to accommodate the request.

It shall be within the discretion of the superintendent to determine whether the request is unduly burdensome and whether the broadcast or taping will interfere with or disrupt the school district event.

It shall be the responsibility of the superintendent to develop administrative regulations outlining the procedures for making the request and the rules for operation if the request is granted.
