

Bishop Lynch Softball

Free Coaches/Player Clinic

The Bishop Lynch Softball team would like to invite your team to our free coaches/player clinic. Your entire team can come to Bishop Lynch and the Lynch coaching staff will run a practice with your team. Current Varsity players will also be there to help demonstrate skills and interact with the players. Coaches can watch/participate/ask questions/film... whatever you would like to do while this is going on. We are here to help you!!! If you are interested, please email Coach Wheeler at Amy.Wheeler@bishoplynch.org and we will set up a time. Look forward to seeing you there!!
