September 6, 2011

Dear Parent/Guardian,

Welcome to the 2011-2012 school year! I, Mrs. Scott, will be teaching your child's Algebra 2 class. I will work to create a communal and cooperative learning environment conducive to fairness, equality, and respect. It is *necessary* that your student participates in daily class activities, and completes assigned homework on time in order to meet the goals and requirements of the class. Please read over the syllabus with your child and sign below indicating you understand the expectations of the class. I would also like the best contact information from you so that I can communicate with you if necessary throughout the school year. **Please remember that I will be teaching during the day and email is the best method to contact me.**

I am very excited for the upcoming school year and look forward to working with your child!

Thank you,

Mrs. Scott
