PERSONAL METAPHOR

STEP ONE: Write a metaphor that exemplifies some aspect of who you are as a person. Begin with your name, make a comparison, and then explain the connection.

For example, I am a teacher, so I would find something that connects to that aspect of my life. Here is my personal metaphor: Ms. Gage is a lighthouse guiding her students through the sea of learning.

STEP TWO:

Create a poster that is visually interesting about your metaphor. Using any medium you so desire write/type your metaphor and create or find an image or graphic that represents the personal metaphor. Your creativity and artistic talents will be useful for this assignment. Feel free to decorate and/or frame your metaphor to make it spectacular. These posters will be posted on the wall, so your care and neatness is important to the beauty of our classroom.

Grading (your grade in each area will be circled by the teacher)
