

π Day

1. Poster project:

- We will announce the project to all of our students as an assignment and needs to be collected on Monday, March 12th
- It will be worth 5 HW points
- They are to illustrate π in any creative way they would like and need to get as many interesting facts about pi onto their poster as they can
- The poster needs to be any size larger than a piece of computer paper
- If they choose to do the large, poster board size poster, they can be entered into the poster contest at lunch (see below-lunchtime activities)
- It will be due Monday, March 12th (we will be using the posters as decorations around our school, the large ones will be entered into the contest at lunch)

2. Pies:

- Each student may bring in one pie for extra credit (5 HW points), along with their poster
- It must be store bought but can not be frozen, it needs to be ready-to-eat
- Polly's and Marie Calendar's will give % of sales to our school as a Fundraiser? (still checking on this)
- Pies need to be brought in before school on Wednesday, March 14th

3. Lunchtime Activities:

- Pie-eating Contest
- Reciting π Contest
- π Poster Contest
