Anne Frank

“I’ll make my voice heard.”

* 1942-1944 * In hiding *

The 1942 summer holidays had started. On the morning of Saturday 5 July, Anne's friend Hello Silberberg came over. They sat on the balcony to have a chat. When Hello had to leave a little later, he promised to return in the afternoon. At three o'clock the doorbell rang. Anne thought it must be Hello, but it was the postman. From that moment on everything in the life of Anne and her family changed.

“One of my

nicest presents.”

**Anne was given
this diary on her
13th birthday.**

I hope I will be able to
confide everything
to you, as I have
never been able to
confide in anyone,
and I hope you will
be a great source of
comfort and support.
