

Buildings and Grounds Management

The district will make every reasonable effort to maintain within budget limitations school properties in good physical condition: safe, clean, sanitary, and as comfortable and appropriate as possible for good teaching and learning.

The supervisor of buildings and grounds, reporting to the superintendent, will have general charge of maintenance services for the district.

At the school level, the principal will be responsible for overseeing the school plant and maintenance/custodial workers in his or her building.

Adopted: Date of Manual Recodification
