

Día de los Muertos

Calaca

PURPOSE

This project will allow you to:

- communicate through art
- celebrate the life of a famous Spanish speaker (living or dead)
- describe a person with adjectives
- participate in Día de los Muertos

DIRECCIONES:

1. Choose a famous Spanish speaker you would like to honor (or satirize)
2. Design a *calaca* that represents this person.
3. Be creative! Show why this person is famous!
4. Give your *calaca* a prop which shows off his/her profession or interest (something in his/her hand)
5. Make a card (see below) that identifies your *calaca* and the artist (you!)

ARTE: Make any kind of *calaca* (whole skeleton).

- Must be homemade (no store-bought skeletons or Halloween stuff!)
