

Vaccine Clinic Checklist

- YES, my child qualifies for **one** of the following eligibility statuses:
 - Enrolled in Medicaid, or
 - Does not have health insurance (uninsured), or
 - Is an American Indian, or
 - Is an Alaskan Native, or
 - Is a patient who receives benefits from Children's Health Insurance Plan (CHIP), or
 - Is underinsured, meaning:
 - Has commercial (private) insurance, but coverage does not include vaccines, or
 - Insurance covers only selected vaccines (TVFC-eligible for non-covered vaccines only), or
 - Insurance caps vaccine coverage at a certain amount. Once that coverage amount is reached, the child is categorized as underinsured.

- Yes, my child has private insurance and is not categorized as underinsured.

If you are able to answer YES to one of the above items, continue below. If you need further assistance, contact the Northeast Texas Public Health District at 903-535-0030 prior to August 11, 2015.

- If Medicaid or CHIP, card and *current immunization record must be presented at time of service* on August 11, 2015. There is no charge for vaccination.

- If no insurance, a \$10.00 administration fee will be charged for each vaccine given. Cash or check only due on August 11, 2015. *Present current immunization record at time of service.*

- If insured but needing to qualify as underinsured:
 - Contact the Northeast Texas Public Health District at 903-535-0030 prior to August 11, 2015 to have insurance verified.
 - Insurance cannot be verified on August 11, 2015.
 - *Present current immunization record at time of service.*

- If fully insured by Blue Cross Blue Shield, United Health Care or Cigna and in need of the Tdap, MCV4, Varicella, or MMR vaccines:
 - Contact the Northeast Texas Public Health District at 903-535-0030 prior to August 11, 2015 to have insurance verified.
 - The Northeast Texas Public Health District will file a claim with your insurance provider.
 - Insurance cannot be verified on August 11, 2015.
 - *Present current immunization record at time of service.*

- If fully insured by an insurance provider not listed above, vaccines can be paid for out-of-pocket, payable by cash or check on August 11, 2015. *Present current immunization record at time of service.*
 - Tdap \$50.00
 - MCV4 \$85.00
 - Varicella \$120.00
 - MMR \$70.00

If your child does not qualify through one of the eligibility statuses or if they are insured and need vaccines other than those listed above, they will need to be seen by their healthcare provider prior to starting school on August 24, 2015.
