

KAMEHAMEHA LEARNING STATIONS REFLECTION

Directions: In the boxes below reflect on each of the Kamehameha Learning Stations by answer the questions. Use another piece of paper if more room is needed.

<p>TECHNOLOGY STATION</p> <ol style="list-style-type: none"> 1. What is Ms. Lee and Mr. Wong trying to make you learn by doing this station? 2. Besides what you might have wrote for question #1, what are some important facts that you should probably remember about this station? 3. What could you have done differently to improve the quality of the work that you did for this station? 4. What is at least one realistic change that can be done to this station to make it better for next year? Explain why this change is needed. 	<p>IMPORTANT FIGURES STATION</p> <ol style="list-style-type: none"> 1. What is Ms. Lee and Mr. Wong trying to make you learn by doing this station? 2. Besides what you might have wrote for question #1, what are some important facts that you should probably remember about this station? 3. What could you have done differently to improve the quality of the work that you did for this station? 4. What is at least one realistic change that can be done to this station to make it better for next year? Explain why this change is needed.
<p>CONFLICT (BATTLE POSTCARD) STATION</p> <ol style="list-style-type: none"> 1. What is Ms. Lee and Mr. Wong trying to make you learn by doing this station? 2. Besides what you might have wrote for question #1, what are some important facts that you should probably remember about this station? 3. What could you have done differently to improve the quality of the work that you did for this station? 4. What is at least one realistic change that can be done to this station to make it better for next year? Explain why this change is needed. 	<p>SPLINTERED PADDLE SCRIPT STATION</p> <ol style="list-style-type: none"> 1. What is Ms. Lee and Mr. Wong trying to make you learn by doing this station? 2. Besides what you might have wrote for question #1, what are some important facts that you should probably remember about this station? 3. What could you have done differently to improve the quality of the work that you did for this station? 4. What is at least one realistic change that can be done to this station to make it better for next year? Explain why this change is needed.

Directions: *Honestly*, rate yourself on the rubric below based on what you did in the Kamehameha Learning Stations.

Self Assessment Rubric- Kamehameha Learning Stations

	Exceeds	Proficient	Approaching	Beginning
Self Directed Learner	I quickly figured out the tasks/goals and was able to reach them easily with time to spare	I figured out the tasks/goals and was able to reach them by the deadline	I figured out the tasks/goals with some help from classmates/teachers <i>and/or</i> didn't finish some of the assignment by the deadline	I figured out the tasks/goals with a lot of help from classmates/teachers <i>and/or</i> didn't finish much of the assignment by the deadline
