

Summary of Senate Bill 530: Physical Fitness Assessment

Reporting Requirements

- All students in grades 3-12
- Data entry will require student-specific information (age, grade, gender, ethnicity).
- Data compilation for submission to agency will be aggregated (no specific student information)
- Data submission required starting at the end of 2007-2008 school year.
- The most recent entry into FG software will be the data submitted to the agency
- School districts must publish notice in their handbook and on their website that parents can request their child's physical fitness assessment results at the end of the school year.

Exemptions:

- Exemptions for students with disabilities are permissible.
- Exemptions should be based on health classifications determined by the school district (TAC 74.31)
- To what degree the student is exempted is a school district decision.
- There are no other permissible exemptions.
