Dedication

During her existence, Field Kindley has witnessed many hard and well-fought battles. Many times the contest would involve one of our fine athletic teams trying to achieve the goal of champions. Often the battles were won, often lost; but where there is a winner----there is also a loser.

Such was the case of a fellow classmate whose many-year battle against polio ceased Friday morning, December 1, 1961, never to inflict pain on him again. His God-gifted asset of having courage to face reality and to always see the optimistic viewpoint of life was a rare and precious thing indeed. This, and genuine friendliness to all, accounted for the reasons why he was so well-loved by all his classmates and teachers.

We, the TWISTER staff of 1962, wish to dedicate this annual to the memory of a boy in a wheelchair--the ideal of courage itself-----

FOREWORD—

As you begin to leaf through the pages of your 1962 Twister, we hope that candid snapshots, such as these and others in the book, will help you to recapture all those wonderful hours spent in the halls, classrooms, and on the campus of Field Kindley High School. However, because memories are not eternal, and in time many of these wonderful moments will be erased completely from our minds, we have tried to preserve CHS in the pages of this yearbook. It seems impossible that these precious memories could slip away: so may you never forget this panic-packed, sometimes mirth-filled or heartbreaking, but always great, golden year of 1961-1962!

This year the Student Council, one of the oldest organizations of Field Kindley, was under the direction of Steve Clark, its president, and John Charlesworth, Sponsor. The representatives and alternates are elected by the homerooms.

This group considers many problems and makes various improvements for our school. Also, the Student Council sponsors activities and plans projects. One of these projects is the annual Courtesy Week.

Students in the group were placed on one of the following committees: scrapbook, service, social, handbooks, flag memorial, assembly, policy constitution, intramurals, and maintenance.

Officers were as follows: Steve Clark, President; Teresa Wishall, Vice-President; Betsy Anning, Secretary; Sue Lay, Reporter; and Steve Misch, Sergeant-at-Arms.

This year the Spanish Club, Los Vecinos, had a large membership of over 70 plus its sponsor, Mrs. Ballard.

Presiding over the meetings were the following officers: President, Wendy Williams; Vice-President, Ann Turner; Secretary-Treasurer, Doris Briggs; and Program Chairmen, Elizabeth Harrington and Karen Bagby.

Meetings were held on the second Tuesday of each month and they generally consisted of a report on a Spanish speaking country, refreshments, and a special program having something to do with the report of the day.

The annual Spanish Christmas Party was held on December 11, and featured a "pinata," a Mexican Christmas procession along a candle-lighted path, and Spanish carol singing.

Various projects through the Spanish Club aided the students to more fully understand the countries in which the language is spoken.

The Kayettes claimed the honor of having the largest club in high school with 151 members. Kayettes is organized on a religious foundation; it also serves as a service club with the social life and recreation in addition.

Many activities kept the Kayettes busy this year. Some of these were the Faculty Tea, Formal Dance, Thanksgiving Assembly, Childrens' Christmas Party, the annual Dad-Daughter Supper, Heart-Sister Week, Mother-Daughter Tea, Senior Farewell, and the selling of concessions at football and basketball games.

New activities introduced were the adoption of a child from a foreign country and the organization of Candy Strippers at the hospital.

The Kayette Conference at Eureka was attended by Sharon Hutson, Janet Lowrance, Sharon Stanley, Gail Stewart, VeAnne Hershey, and Mrs. W. F. Rush, head Kayette sponsor.

Other sponsors are Miss Kathreen Norfleet and Mrs. Eloise Eckhardt.

JUNIOR CLASSICAL LEAGUE

The Junior Classical League, one of only two national organizations in our high school, boasts of eighty-three members this year. These members make up the three Latin classes in addition to seven seniors who are active alumni members. Each member owns a membership card and a silver pin; one or two students who show outstanding ability in Latin are presented silver honor awards at the close of the second year.

The purpose of the J. C. L. is to encourage young people to study the language of ancient civilizations and to reveal to them the debt of our own culture to that of Greece and Rome.

Last August five of our J. C. L. members, accompanied by their sponsor, attended the Eight National J. C. L. Convention at the University of Indiana: Chris Coyle, Billy Dunn, Ron Hamlin, Carol Lake, and Harold Rush. In March of this year several of us will attend the thirteenth state convention at Kansas City, Kansas; and a few of us hope to get to the Ninth National Convention at Montana State College next August.

Officers are Harold Rush, consul; Bill Lightstone, vice-consul; Cathy Dickinson, scriptor; Elizabeth Harrington, quaestor; and Miss Ethel Cabbell, sponsor. Two of our members hold state offices: Betsy Anning, state secretary; and John Hare, state historian.

The Key Club is a group of young Kiwanians in the high school. They publish a student directory and do community work throughout the school year. The membership totals 26. Meetings are held each Monday at 12:30. This year's officers were: Jim Moore, President; Kenny Morrow, Vice-President; Bill Ellis, Secretary-Treasurer; and Jim Beam and Wayne Roberts, Sergeants-at-Arms. This year the organization conducted a soap sale and assisted the Kiwanis Club with projects such as selling brooms, light bulbs, and helping in the Annual Pancake Day.

PUBLICATIONS

Although Journalism in CHS is designed primarily as a writing course, many students have gone into the field in the past 25 years and have become well known as newspaper editors, columnists, writers for radio and TV, and other similar positions.

While working steadily to produce this 1962 Twister, this year's publication classes were also successful in editing and publishing fifteen issues of the school paper, the Tornado Times. Under the guidance of our advisor, H. D. Sappenfield, every member of both classes was able to try his hand at just about every branch of journalism operations. An honorary Twister staff was selected by Mr. Sappenfield according to each student's "extra" work and interest in the annual publication. However, every student in the department helped by submitting his ideas as well as his time to its publication.

Do you remember the
day "Earthquake" hit
the sour note?

This year our sixty-three piece band was led through its many colorful and artistic drills by the first girl drum major of the band's history, Linda Mahan. The director of the band was Harvey Lewis.

The 1961-1962 band participated in many activities this year. They appeared before every home football game and provided our home basketball games with excellent "victory inspiring" music. Among its other activities and accomplishments this year were a CHS band concert, a trip to the Kansas University Band Day, an all SEK Band Festival, and a band trip during May. Funds for this excursion were acquired by the selling of special candy bars.

The officers of this year's band were: President H P. Appleby; Vice-President, Ed Martin; Secretary-Treasurer, John Hare.

ROW ONE: Becky Elder, Toby Jones, Kenny Boles, Karen Bagby. ROW TWO: Marcia Toney, Johnny Wagner, Jack Blackett, Fred Brown, John Dunsworth, Barbara Bilderback.

CORPS

In retrospect of the past year, the Golden Tornado Drum and Bugle Corps did many exciting things.

The corps was ready to march by rodeo time after having spent many mornings and evenings practicing. Then came the football drills and the trips out of town. The theme for the annual reunion, held Dec. 26, was "Three Coins in the Fountain." It was announced at this reunion that Carolyn Merrill was to be the new drum major for 1962-1963. As well as basketball drills, the corps planned to perform at the National Jr. College Championship Tournament.

ORCHESTRA

The 1961-1962 Field Kindley orchestra has completed another year of making beautiful music for CHS'ers. The group, which met fourth hour this year, is composed of 31 pieces under the supervision of Mr. Harvey Lewis.

Among their many activities the musicians hosted the SEK Orchestra Festival, played for the Christmas, Thanksgiving, and Easter assemblies, played for both the junior and senior plays, and took part in providing music for Kavalkade.

SIGMA PI

Sigma Pi, C. H. S. 's honorary scholastic organization, is made up of students maintaining a 3.5 grade average or higher. The officers this year were: Peggy Duckworth, Secretary-Treasurer; Joe Tongier, Francis Fitzgerald, Senior Board Members; Gary Schaub, Kenny Boles, Junior Board Members; Susan Bumpass, Reporter. Sponsors for Sigma Pi were Miss Elaine Mullikan, Head Sponsor; Miss Avis Johnson, Mrs. Edna Cape, Miss Lavonne Crawford, Mr. Jim LeClere, Mr. Joe Mason. The initiation, the Christmas Party, the spring meeting, and the senior farewell were the four scheduled meetings. As a service project the members contributed the toys they brought for the Christmas Party to the Salvation Army.

The Girl's Athletic Association is an organization whose objective is to promote good sportsmanship, fellowship, and activity.

This year's officers were Nancy Ford, President; Jean Bever, Vice-President; Donna Day, Secretary-Treasurer; Gracie Canady and Marcia Toney, Board Members; and Sharon Cook, Scrapbook Keeper.

The members participate in at least one of three intra-mural sports--basketball, bowling, and volleyball. Medals are presented to the members of the championship teams for each sport.

HURRICANES

The girls swim club, organized last year, chose the name Hurricanes. The requirement for joining this group is to be able to use five different strokes in swimming 80 laps of the pool. The girls swam after school. Synchronized swim skills were learned and put to use in their swim show which was planned for May 7. Popular music served as the metronome. The president of the club was Elaine Meek. Karen Gump was secretary-treasurer.

F.F.A.

In the Future Farmers of America Organization for 1961-1962, 40 members were enrolled. Tony Kirk served as president; Fred Mueller as vice-president; Elbert Fields as secretary; Jim Enloe as treasurer; Jim Wishall as reporter; and Archie Waltrip as sentinel.

Eighteen boys exhibited livestock at the Inter-State Fair in 1961. Among those who brought home superior ribbons for their livestock were the following: Charles Victory-First Place Hampshire Fat Lamb; Lonnie Erwin-Reserve Grand Chapion Fat Steer; Jim Bever-Champion Shorthorn Fat Steer; Delbert Coons-First Place Yorkshire Fat Barrow; Russ Jordan-Reserve Champion Montadale Ewe; Fred Mueller-First Place Jr. Yearling Ayrshire Heifer; Don Clayton-First Place Jr. Yearling Jersey Heifer.

In the fall the F. F. A. boys made a trip to Tulsa to attend the state fair. Also the chapter hosted the thirteenth annual Parent and Son Banquet on February 26 at Ted's Grill.

Field Kindley's debaters recorded an outstanding won-loss tally this season. The nine top experienced debaters compiled a mark of 146 wins and 50 losses, while the eight top novices won 130 and dropped but 43. Their combined record, then, was 276 wins and 93 losses. A total of eight trophies (and one coconut at the Little Nationals) were won. The experienced squad started the year off on the right foot by bringing back two pieces of "hardware" from El Dorado. The entire team was responsible for a sweepstake trophy while Hodge and Mehl brought back a third place token. Harrison and Widmer, later, won second place at the Little Nationals in Muskogee, losing to Miami Beach, Fla. The Widmer-Hodge duo placed second at the Topeka Highland Park Tourney. Meanwhile, the novice "tonguesters" opened their year with three teams winning 15 out of 16 at Fredonia. At Iola, King and Klumpp won first place. One of the sweetest laurels came when, at the Little Nationals, the teams of Boles-Liebert and Hall-Schaub tied for first and second. (Incidentally, defeating Miami Beach to even accounts!) Hall and Schaub went on to take third at Parsons. Paul Hodge and Ken Boles led their respective divisions for better winning percentages. Fifteen debaters qualified for letters this year, a record number.

STAGE PRODUCTION

The backbone of the theatrical presentations of CHS is largely the sincere and diligent actions of the Stage Production class. These people plan and write the script for *Kindley Kavalkade* as well as design and build the colorful sets. After *Kavalkade* is over they dismantle all sets and start to work on ideas for next year's show. The stage production class also makes the sets for both the Junior and Senior plays.

The sponsor is Mr. Kenneth Burchinal.

THESPIANS

An eventful and successful year for the senior members of CHS's troupe 317 of the National Thespians Society was highlighted by the superb presentation of this year's senior play "Charley's Aunt."

The Thespians pictured here were chosen from last year's Junior play cast and this year's Senior play cast by regulations and standards set by the national society. The 1962 Junior class selections were not available at the time of this writing. This year's Thespians was a very active chapter. They had an initiation assembly during book-week where each newcomer depicted a famous novel before the student body.

Officers this year were: President, Bill Ellis; Vice-President, Jane Kinsch; and Secretary, Joy Rutter.

This is the thirty-third year of pep and service that the Tornado Tillies have given to CHS.

During their busy year, the Tillies have had such activities as the following: advertising athletic games by making and displaying posters, and through the sale of schedule pencils and season tickets; planning coronations and pep assemblies, and attending home games, as well as some out-of-town. The group ushered at the Junior and Senior plays. The annual alumnae reunion titled "Winter Wonderland" was held Nov. 24 this year. The Tillies also enjoyed their annual Christmas and Easter parties. New members were initiated and the final activity was the Senior Farewell held at Rock Point Lodge.

New gold sweatshirts were added to the Tillie uniforms this year.

The Field Kindley Junior Red Cross Council of 1961-1962 can look back in retrospect on another year of fine service to this community. Their greatest undertaking was the enrollment for Junior Red Cross in the grade schools. Other projects throughout the year included assistance as typists and aides at city bloodmobile drives, Christmas gifts that were sent to orphans, and a school chest sent to a foreign country. A water-safety program was also on the agenda with various water-safety certificates presented to deserving students.

Sponsors for the organization are Head Chairman, Miss Helen Glaser; Water Safety Chairmen, Miss Delores Hall, and Mr. Paul Crandell.

This year's officers were Student Chairman, Ron Hamlin; Assistant Chairman, Jim Simmons; Secretaries, Janet Kuhns and Sharon Martin; Treasurers, Mary Ann Mahaffy and Jean Osgood.

CANDY STRIPERS

Probably the newest organization at C. H. S. is the Candy Stripers which was organized during the year under the sponsorship of the Kayettes. The hospital had wanted to start the Candy Striper group for some time and through the Kayettes it was possible.

The girls, in their red and white uniforms, help at the hospital in many ways, their main job is to aid the nurses whenever possible.

One of the objectives of the group is to give the girls a chance to experience the hospital activities. This is a good way to help girls decide whether they would ever want to enter medicine or nursing as a profession.

5TH IN STATE

The 1961-62 Golden Tornado finished the grid season with a very commendable seven won, one lost, and one tie record. The Tornado finished second in the S. E. K. standings and fifth in the state.

The locals began the season by surprisingly playing the always strong Joplin Eagles to a 19-19 standstill. The biggest win margin for the Coffeyville crew was a 64-0 victory over Pittsburg.

Coffeyville placed high on the All-S. E. K. team with Jim Beam, Jim Moore, Harold Rush, Ron Cerny, Steve Stangland, and Fred Mueller; while Tony Kirk and Steve Clark received honorable mention. The Tornado also placed Moore and Rush on the All-American Team that is selected every year by a group of Oklahoma City sportsmen.

A Good Year

The Golden Tornado started off the 1961-62 campaign with seven returning lettermen and a victory over Fort Scott. One week later, however, a cloud of gloom settled over C'ville as the Tornado blew a lead in the last few seconds and lost to Independence 53-51 in overtime. They bounced back to win over Altamont and Columbus before their first encounter with the Vikings. It was at the Parson's Contest that Coffeyville first was hit by the flu-bug which was to continue to harrass the roundballers through the bulk of the season. Nearly every player was at one time out of action because of illness. During this time C'ville dropped their encounters with Parsons and Chanute. However, during this time the Coffeyville crew went to the finals of the Campus High tournament with victories over Ark City and Shawnee Mission East. They came in second behind Wichita East, the number one team in the state. Upon recovering physically, the Tornado set out to gain revenge for their earlier setbacks. After returning from Campus, the Tornado lost only a contest with the strong Springfield Parkview by three points after having car trouble and arriving late and tired after the long trip. This stretch run included wins over Independence, Chanute, and Parsons and took them up to the Regional Tournament. The win over Parsons knocked the Vikings from the league championship and enabled the Tornado to move into second place. Also during this time the CHS squad racked up 90 points against Iola to establish a Field Kindley gym scoring record. Playing in the regionals at Parsons the Javatowners downed Chanute in the opener, then lost a one-point heartbreaker to the Vikings on a much disputed goal made by them after time ran out. The Tornado took third by trouncing the S. E. K. champs from Indy on the last night. Schwinn and Bever were All-S. E. K. selections while Jones and Moore received honorable mention.

TORNADO TANKERS

The '61-'62 Tornado Tankers had a very fine season finishing third in the State. The team was led by the very capable new coach Ed Poort.

Although eleven returning lettermen bolstered the squad, a lot of the success for this year's swim team came from newcomers, especially sophomores. Winning three duals and losing four (two of the Oklahoma State Champions), the Tornado showed much ability in winding up the season by narrowly missing second in the state.

C. H. S. will be losing Bill Johnson, Richard Bonham, Bill Ellis, Richard Hendrix and John Tongier by graduation. However, with the help of Coach Poort, Field Kindley expects to have another great season next year.

For the third time, since the Golden Gale football squad was formed four years ago, the team finished undefeated. The sophomore squad won all five encounters and yielded but three touchdowns. While the offensive unit racked up 110 points, the defense gave up only 18 and only one touchdown on the ground.

This year Coach Thomas had the crew entirely by himself. He thinks this year's squad was one of the best he has ever coached. The group did not have any real outstanding players but played well together as a team. The members had to do a lot of practice work on their own while Coach Thomas was helping others. This is why he feels they were such great kids to coach.

The leading scorers for the Gale were Ronnie George and Phil Tate. The outstanding linemen were Mike Caulfield and Jack Chowning. Other promising players are (backs) Jim Reynolds, John Ford, (linemen) Roger Neal, and Charles Kastler.

Due to the mid-March Twister deadline, the results of the 1962 track season cannot be given here. However, with the fact that CHS won the SEK league in 1960 and 1961, and that this year's cinder crew was bolstered by 12 returning lettermen, the '62 outlook was very promising.

Coach Don McWhirt and some great prospects from last year's underclassmen, and he expected as many or more, such boys this year. Harold Rush, one of the returning lettermen, was elected captain for the 1962 season.

The twelve returning lettermen, who were expected to carry much of the load, are: Harold Rush, Jim Moore, Jim Beam, Grant Bever, Ron Cerny, Dale Cospar, Fred Mueller, Steve Stangland, Fred Strickland, Don Morgan, Roger Neal. These boys were expected to close the gaps left by last year's seniors.

Independence Invitational
Coffeyville Invitational
S. E. K. - Iola
Regional - Wichita
State - Salina

Field Kindley's golf coach, C. P. "Mose" Neis, opened the season with nine returning lettermen. This year's team was expected to surpass last year's fine team which placed first in SEK, fourth in regional, and eighth in state meets. Six invitational meets had been scheduled for this season in addition to SEK, regional, and possibly state meets. With seventeen squad members, prospects looked promising for a banner year.

It's a long way up there!
