A.P. ART

A weekly journal will be kept by each student. Each week's entry will include:

- 1. COMPOSITIONAL STUDIES and research for your portfolio**
- 2. Written Progress of AP Portfolio**

1. COMPOSITIONS: This year your journal/sketchbook will be used daily to document work on your AP portfolio. All work requires some research and compositional studies before preceding. Your sketchbook should reflect the **PROCESS** and **DEVELOPMENT** of your concentration and each piece of your breadth requirements.

2. WRITTEN PROGRESS: Keep a weekly journal of the progress you are making on your current piece. Write as much as you need. This should be no less than 2 paragraphs per week. Your weekly progress should also include your concentration ideas and the progress of your concentration.

Your journal will be checked periodically for completion. It is **YOUR** responsibility to keep your journal current. It is also to your benefit. Journals will be submitted in their entirety at the end of each **QUARTER** for a grade.

NO STUDENT WILL RECEIVE AN A IN THE CLASS WITHOUT A COMPLETE JOURNAL
