

# Autoethnography

---

**Auto**

- About  
yourself

**Ethno**

- Your  
cultural  
context

**Graphy**

- Written  
about  
yourself

# Autoethnography

---

“Salient” = most noticeable or important

“Salient Identity”

- What is the first thing that comes to mind when asked, “*Who/What are you?*”
- Is it your race? gender? religion? etc.

# Autoethnography

---

## Artistic Element

- Choose something you can use to express yourself artistically.
- song lyrics? pictures? food? quotes? etc.

Must have a short paragraph explaining why you chose your art form and how it relates to your identity.

# Autoethnography

---

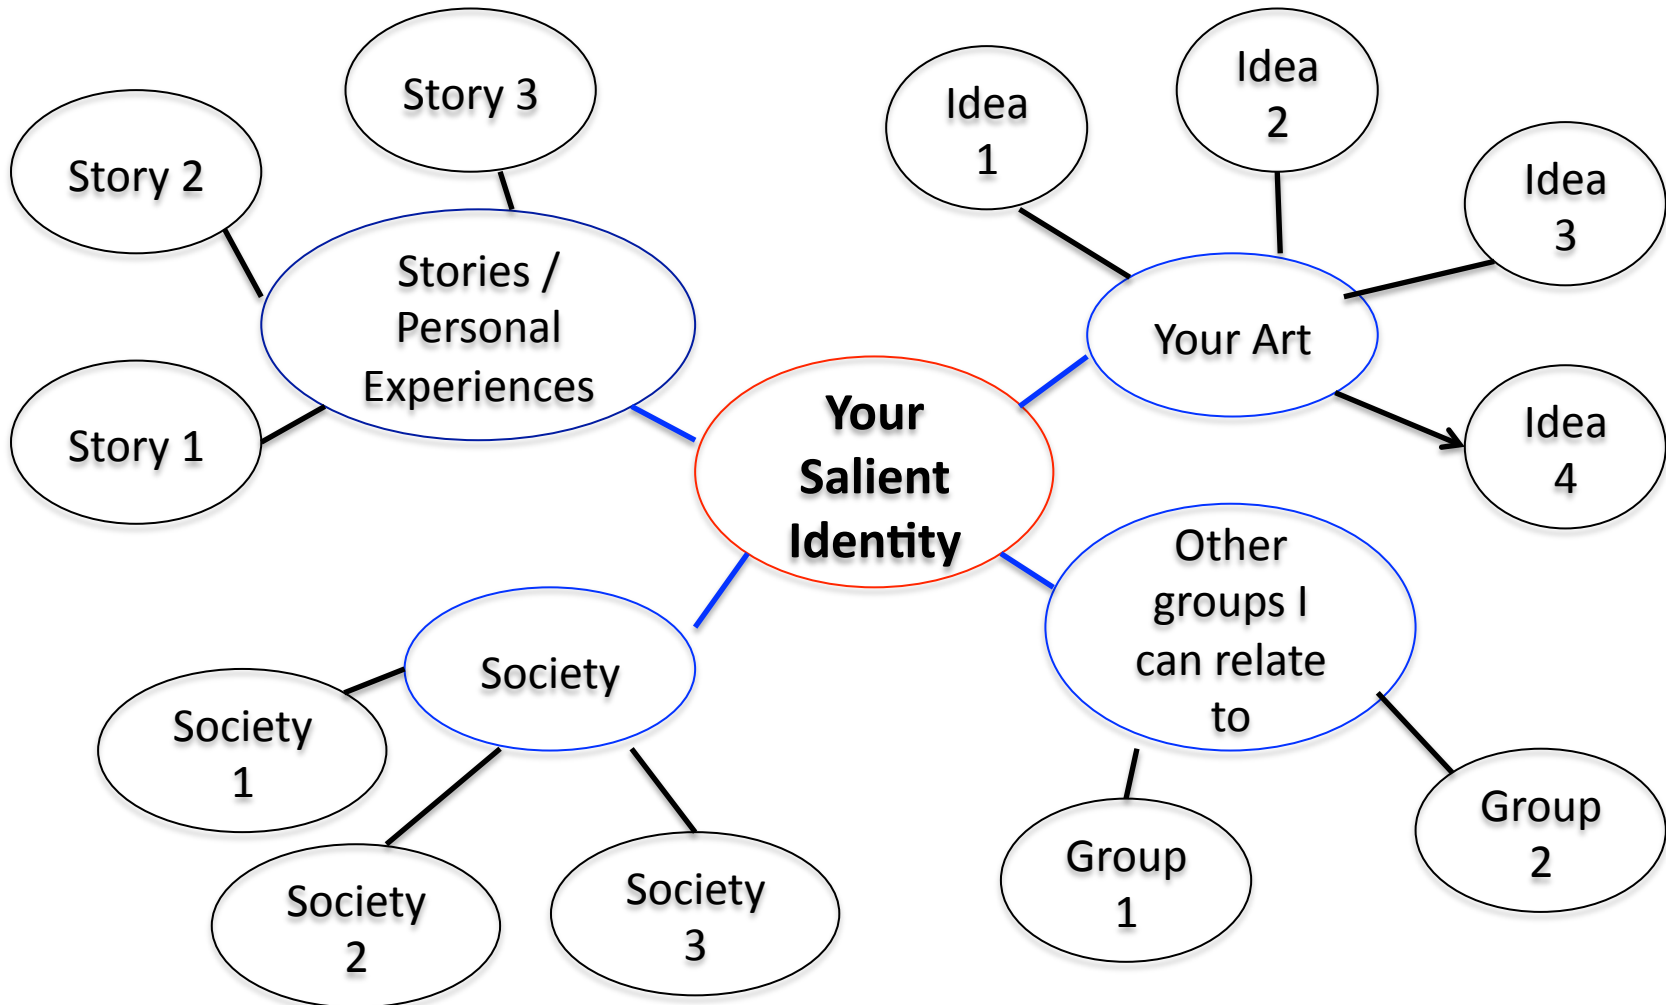

## Brainstorm

Questions to help you begin:

1. What stories can you share from your life about the identity you chose?
2. What do others in society typically think of your identity?
3. Who else can you relate to with your identity?
