Principal's Message

As principal, I have the privilege of introducing you to Alisal Elementary School. In 2005-06, we were honored in being selected as a California Distinguished School, an award the school has also received in 2001-2002, 1994-95, and 1988-89. We are proud to also have been recognized as a National Blue Ribbon School in 2003.

At Alisal, we pride ourselves in holding high expectations and standards for all students. Alisal was the first elementary school to open its doors in Pleasanton in October of 1956. Since then, we have established and maintained a strong tradition of excellence. The Alisal staff is highly trained and skilled in their profession, servicing approximately 660 students in kindergarten through fifth grade. Alisal is located in the heart of Pleasanton, just down the road from historical Main Street. At Alisal school we provide a challenging educational program for all students in a positive and supportive environment. Our strong standards-based curriculum, coupled with innovative and research-based instructional strategies, allow us to provide students with the knowledge and skills they need to be successful in the future. Staff members collaborate within and across grade levels to provide a differentiated educational program that meets the needs of all students. Character education and building the 40 Developmental Assets in our students are integral parts of our program. The school-wide use of the TRIBES program provides students with the tools to communicate and problem- solve in a safe environment. We also tie in our Community of Character traits of responsibility, compassion, self discipline, honesty, respect, and integrity into our curriculum and activities. We are excited to continue our partnership with a local high school to provide some of our students with a one-on-one mentor. We encourage students to get involved with the community through service-learning opportunities such as The Bear Bulletin, Go Green Club, Poetry Club, and Student Council. Parent and community involvement play an integral role in the success of Alisal. Our Parent Teacher Association (PTA) and School Site Council (SSC) work together to support and enrich our school programs. Strong community partnerships are also vital to Alisal as they offer students a link to real life experiences. At Alisal, we are proud that our families, children, staff, and community members work together to create a learning environment that gives all children an opportunity to succeed and develop a love of learning.

Mission Statement

Alisal School maintains the belief that all students can learn and succeed. We are committed to ensuring the individual development of the whole child by providing a quality, innovative, well articulated, student-centered program that will allow each child to reach their full potential. Children at Alisal will be lifelong learners and contributors to our diverse society as caring responsible citizens.

CORE PURPOSE:

To prepare all students to be literate, ethical, innovative, productive members of society

CORE VALUES:

Intellectual development and the ability to function independently by building literacy, critical thinking, problem-solving, and decision-making skills

Building tolerance for differences through communication and cooperation

Continuous life-long learning and personal growth for staff and students

School Profile

Alisal Elementary School is located in the eastern region of Pleasanton and serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2010-11 school year, 660 students were enrolled, including 14% in special education, 14% qualifying for English Language Learner support, and 11% qualifying for free or reduced price lunch. Alisal Elementary School achieved a 2011 Academic Performance Index (API) score of 900.

Student Enrollment by Ethnicity / Grade Level 2010-11			
Ethnic Group	%	Grade Level	#
African-Amer.	1.36 %	Kindergarten	96
Amer. Indian or Alaskan Native	0.76 %	Grade 1	108
Asian	21.36 %	Grade 2	87
Filipino	3.48 %	Grade 3	127
Hisp. or Latino	12.58 %	Grade 4	118
Pacific Islander	0.45 %	Grade 5	124
Caucasian	54.85 %		
Multi-Racial	5.15 %		
Total Enrollment			660

Student Achievement

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested can be found on CDE's Standardized Testing and Report Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2011 STAR Program Summary Results to the Public guide at <http://star.cde.ca.gov/star2011/>.

Physical Fitness

In the spring of each year, Alisal Elementary School is required by the state to administer a physical fitness test to all students in grade five, grade seven, and grade nine. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

STAR Results - All Students Percentage of Students Scoring at Proficient & Advanced Levels

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2008	2009	2010
Statewide Rank	10	9	9
Similar Schools Rank	7	3	3

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2010-11 AYP cycle, elementary and middle schools must achieve a 67.6% or higher proficiency rate in all subgroup populations for English/Language Arts and 68.5% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 710 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2010-11		
<i>Did the school and district meet or exceed 2011 AYP performance criteria in each of the areas listed below?</i>

Math	Yes	Yes
<i>Percent Proficient</i>		
Language Arts	Yes	No
Math	No	No
API Score	Yes	Yes
Graduation Rate	N/A	Yes

Reported data based upon performance of all subgroups for each of the areas listed

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other

designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2010-11, Alisal Elementary School did not participate in the Title I program and is therefore not required to comply with program mandates.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, the school website, teacher newsletters, eConnection, the PTA website, Principal's Coffee, and "Around Alisal". Contact Kristen Dean at (925) 426-4201 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Alisal Elementary School's original facilities were built in 1956; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Wireless technology installed throughout the campus

Every morning before school begins, the administrator and the custodian inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Alisal Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- Groundskeeping
- Office area cleaning
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Cleaning desktops and whiteboards
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Alisal Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2010-11 school year, Alisal Elementary School received a portion of \$269,264 in deferred maintenance funds for the repair and/or maintenance of:

- Roofing
- Plumbing
- Heating/Air Conditioning Systems
- Floor Systems
- Other Systems

Facilities Inspection

The district's maintenance department inspects Alisal Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Alisal Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Tuesday, August 16, 2011. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2010-11, all restrooms were fully functional and available for student use.

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
✓			

Rating Description

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the administrator and teachers are strategically assigned to designated entrance areas and the playground. During recess, teachers supervise playground activity. The administrator and noon supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the administrator and teachers monitor student behavior to ensure a safe and orderly departure.

Alisal Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Alisal Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in Fall 2011.

Classroom Environment

Discipline & Climate for Learning

Alisal Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	AES		
	08-09	09-10	10-11
Suspensions (#)	28	26	14
Suspensions (%)	4.15 %	4.01 %	2.12 %
Expulsions (#)	0	0	0
Expulsions (%)	0.00 %	0.00 %	0.00 %
PUSD Elementary Schools

Combo classes are any combination of the grades shown.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Alisal Elementary School revolve around the California State Content Standards and Frameworks. During the 2010-11 school year, Alisal Elementary School held staff development devoted to:

- Data Analysis
- Instructional Strategies
- Writing

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, district benchmark results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Alisal Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers meet in grade level teams to conduct data analysis to identify areas of need.

Alisal Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff

development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Staff Development Days Three-Year Trend		
2008-09	2009-10	2010-11
3	3	1

Instructional Materials

All textbooks used in the core curriculum at Alisal Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 13, 2011, the Pleasanton Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 2011.12.01 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2011-12 school year, Pleasanton Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Textbooks		
Adoption Year	Publisher & Series	Pupils Lacking Textbooks
History-Social Science		
2006	Pearson Scott Foresman, <i>Scott Foresman History-Social Science for California</i>	0 %
Language Arts		
2003	Houghton Mifflin, <i>California Reading</i>	0 %

2009	enVision, <i>California Mathematics</i>	0 %
Science		
2007	Macmillan/McGraw-Hill, <i>Macmillan/McGraw-Hill California Science</i>	0 %

The textbooks and instructional materials used by the school are the most recently SBE adopted instructional materials.

School Leadership

The principal works closely with the school's leadership team to provide a well-balanced, rigorous core curriculum aligned with state standards. Principal Terri Quesinberry is responsible for the day-to-day operations of the school and overall instructional program. Coordinating efforts with the Principal is the Leadership Team, comprised of the principal, special education representatives, grade level representatives, and a classified employee representative. The Leadership Team meets monthly throughout the year to discuss instructional programs, staff development needs, and student achievement.

Principal Terri Quesinberry has been in the educational field for 24 years and serving Alisal Elementary School for 11 years (as of 2010-11). Previous positions held in other schools include: vice principal, classroom teacher, summer school principal, and Literacy Coordinator for the district office. Principal Terri Quesinberry holds a bachelor's degree in History and Political Science.

Professional Staff

Counseling & Support Staff

Alisal Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Alisal Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2010-11		
	No. of Staff	FTE

Speech Therapist	1	1.0

* as needed
FTE = Full-Time Equivalent

Teacher Assignment

During the 2010-11 school year, Alisal Elementary School had 36 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools

are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2010-11		
	Taught by NCLB- Compliant Teachers	Taught by non- NCLB- Compliant Teachers

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2009-10 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2009-10		
	PUSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$54,744	\$41,035
Mid-Range Teacher Salary	\$79,443	\$65,412
Highest Teacher Salary	\$96,455	\$84,837
Superintendent Salary	\$229,952	\$197,275
Average Principal Salaries:		
Elementary School	\$125,766	\$106,217
Percentage of General Fund Expenditures for:		
Teacher Salaries	41%	39%
Administrative Salaries	4%	5%

Expenditures Per Student

For the 2009-10 school year, Pleasanton Unified School District spent an average of \$7,599 of total general funds to educate each student (based on 2009-10 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Pleasanton Unified School District receives state and federal categorical funding for special programs. For the 2009-10 school year, the district received categorical, special education, and support programs funds for:

- ARRA: State Fiscal Stabilization Fund
- Class Size Reduction, Grades K-3 (optional)
- Economic Impact Aid (EIA)
- English Language Acquisition Program, Teacher Training & Student Assistance
- K-12 Service Learning Initiative (CalServe)
- Lottery: Instructional Materials
- State Lottery
- Title I
- Title II
- Title III
- Title IV
- Tobacco-Use Prevention Education
- Transportation
- Transportation: Special Education
- Vocational Programs
