Dear Parent or Guardian,

Your student has been asked to **apply** for a unique Summer Program offered by the Oxnard Union High School District in partnership with the National Association of Women in Construction. The request to have your student apply is based on their interest in construction.

Lisa Brown  
Director Curriculum  
& Assessment

The students in this program will have the opportunity to work with professional women in this field. They will have hands-on experiences to explore exiting careers in construction. The course will include: Introduction, safety, History of NAWIC and women in construction, carpentry, electrical, plumbing, and a field trip to an actual construction job.

Jim Rose  
Director Career  
Pathways and  
Community  
Partnerships

If you are interested in giving your student the opportunity to find out if they are interested in pursuing a career in construction, please have them fill out the application found on the reverse side.

Kathy Greaves  
Director Student  
Services and  
Interventions

As their parent, you will be showing your commitment to having your student participate in this program by signing the application. You will be committing to have your student attend class Monday- Friday from 8:00 to 4:00 for one week. Class will be June 22-26, 2015. Each student will be required to provide his or her own transportation and lunch for the week of the program.
