Principal's Message

Welcome to Donlon Elementary School, home of the Cubs and a place where Lifeskills are demonstrated on a daily basis. Lifeskills provide students with tools and strategies for dealing with those everyday challenges and encourages a healthy social environment.

Donlon School offers a high quality instructional program that addresses the wide range of learning needs within our student population. Staff and teachers use a variety of assessment information to review instructional practices and adjust accordingly to ensure that we are meeting the academic needs of our students. Even though assessment data indicates our students, as a whole, are performing well above the state and national average, we continue to strive for improvement and to eliminate the achievement gap. The entire Donlon staff is committed to academic excellence and is dedicated to ensuring each student makes significant progress towards adopted state standards.

Our school's utmost priority is a safe learning environment with a dedicated staff who takes pride in student success and achievement. Conflict Managers and other opportunities to help students successfully deal with a variety of social issues provides the support for a positive learning environment. Our school is a place where kids come first!!!

Mission Statement

The Donlon community is committed to preparing all of our students to lead happy, healthy and productive lives. We strive to create a community of character by emphasizing the District's character traits and through our commitment to the use of Lifeskills on a daily basis. Our goal is to have students strive to become informed citizens ready to participate in a culturally diverse society.

School Profile

Donlon Elementary School is located in the northwestern region of Pleasanton and serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2009-10 school year, 719 students were enrolled, including 16% in special education, 4% qualifying for English Language Learner support, and 3% qualifying for free or reduced price lunch. Donlon Elementary School achieved a 2010 Academic Performance Index (API) score of 930 and met all 2010 Adequate Yearly Progress criteria.

Student Enrollment by Ethnicity / Grade Level 2009-10			
Ethnic Group	%	Grade Level	#
African-Amer.	2.50 %	Kindergarten	114
Amer. Indian or Alaskan Native	0.14 %	Grade 1	119
Asian	24.90 %	Grade 2	121
Filipino	3.76 %	Grade 3	125
Hisp. or Latino	5.15 %	Grade 4	121
Pacific Islander	0.42 %	Grade 5	119
Caucasian	56.88 %		
Multi-Racial	3.76 %		
Total Enrollment			719

Student Achievement

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested, can be found on CDE's Standardized Testing and Reporting Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2008 STAR Program Summary Results to the Public guide at www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf.

Physical Fitness

The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. The 2009-10 physical fitness test result data was not available at the time of production of this report.

Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Fifth			
Seventh			
Ninth			

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2009-10 AYP cycle, elementary and middle schools must achieve a 56.8% or higher proficiency rate in all subgroup populations for English/Language Arts and 58% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 680 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2009-10

Graduation Rate	N/A	Yes

Reported data based upon performance of all subgroups for each of the areas listed

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2009-10, Donlon Elementary School did not participate in the Title I program and is therefore not required to comply with program mandates.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, the school marquee, the school website, the Cubby Chronicle, Principal's Coffee, eConnection, and teacher websites. Contact Cheryl Thoe, our PFC President, at (925) 426-4220 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Donlon Elementary School's original facilities were built in 1968. Ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests.

Every morning before school begins, the administrator(s) and the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Donlon Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Groundskeeping
- Restroom cleaning
- Kids Club setup/cleanup
- Activity setup/cleanup

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Activity setup/cleanup

The principal communicates with custodial staff weekly concerning maintenance and school safety issues.

Deferred Maintenance

Donlon Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2009-10 school year, Donlon Elementary School did not qualify to receive deferred maintenance funds for campus repairs and/or improvements.

Facilities Inspection

The district's maintenance department inspects Donlon Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Donlon Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Tuesday, October 19, 2010. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2009-10, all restrooms were fully functional and available for student use.

Rating Description

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school.

As students arrive on campus each morning, the administrator and teachers are strategically assigned to designated entrance areas and the playground. During recess, teachers supervise playground activity. Administrators and lunch supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, administrators and teachers monitor student behavior to ensure a safe and orderly departure.

Donlon Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Donlon Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan will be reviewed, updated, and discussed with school staff in October 2010.

Classroom Environment

Discipline & Climate for Learning

Donlon Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	DES		
	07-08	08-09	09-10
Suspensions (#)	4	8	6
Suspensions (%)	0.60 %	1.18 %	0.83 %

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Donlon Elementary School revolve around the California State Content Standards and Frameworks. During the 2009-10 school year, Donlon Elementary School held three staff development days devoted to:

- Addressing the Achievement Gap
- Differentiated Instruction
- Special Learning Disorders
- Equity Training

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, district benchmark results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Donlon Elementary School supports ongoing professional growth throughout the year on late start days. Teachers met in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula. During the 2009-10 school year, Donlon Elementary School's teachers attended the following events hosted by the Pleasanton Unified School District:

- Technology
- Strategies and Resources for Arts Integration
- Collaborative Curriculum Design
- Serving Students with ASD in the Schools
- Assessment of Language and Communication in Culturally and Linguistically Diverse (CLD) Populations

Donlon Elementary School offers support to new and veteran

teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

3	3	3

Instructional Materials

All textbooks used in the core curriculum at Donlon Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 14, 2010, the Pleasanton Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution 20010-2011.02 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2010-11 school year, Pleasanton Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Textbooks		
Adoption Year	Publisher & Series	Pupils Lacking Textbooks
History-Social Science		
2006	Pearson Scott Foresman, <i>Scott Foresman History-Social Science for California</i>	0 %

The textbooks and instructional materials used by the school are the most recently SBE adopted instructional materials.

School Leadership

School leadership is a responsibility shared among the principal, school staff, and parents. Principal Barbara Heisser is responsible for the day-to-day operations of the school and overall instructional program. Coordinating efforts with the Principal is the Principal's Advisory Council, comprised of the

principal, grade level representatives, a specialist staff representative, a parent representative, and a classified representative. The Principal's Advisory Council meets monthly throughout the year to evaluate effectiveness of instruction programs and implement strategies that increase student proficiency.

Principal Barbara Heisser has been in the educational field for 38 years and began serving as Principal of Donlon Elementary School in 2010-11. Previous positions held in other schools include: principal, assistant principal, classroom teacher, and coordinator of special projects. Principal Barbara Heisser holds a bachelor's degree in Social Science, a master's degree in Counseling and Psychology, a Lifetime Teaching Credential, an Administrator's Credential, and a Pupil Personnel Counseling Credential.

Professional Staff

Counseling & Support Staff

Donlon Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Donlon Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2009-10

Speech/Language/Hearing Specialist	1	0.5

* as needed
FTE = Full-Time Equivalent

Teacher Assignment

During the 2009-10 school year, Donlon Elementary School had 37 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2008-09 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2008-09		
	PUSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$55,646	\$41,155
Mid-Range Teacher Salary	\$80,752	\$65,379
Highest Teacher Salary	\$98,045	\$85,049
Superintendent Salary	\$229,952	\$194,802
Average Principal Salaries:		
Elementary School	\$126,032	\$106,453
Percentage of General Fund Expenditures for:		
Teacher Salaries	43.2%	39.9%
Administrative Salaries	5.2%	5.1%

Expenditures Per Student

For the 2008-09 school year, Pleasanton Unified School District spent an average of \$8,453 of total general funds to educate each student (based on 2008-09 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Pleasanton Unified School District receives state and federal categorical funding for special programs. For the 2008-09 school year, the district received categorical, special education, and support programs funds for:

- ARRA: State Fiscal Stabilization Fund
- CA High School Exit Examination
- CA School-Age Families Education Program (Cal-SAFE)
- California Instructional School Garden
- California Peer Assistance & Review Program for Teachers (CPARP)
- Economic Impact Aid (EIA)
- English Language Acquisition Program, Teacher Training & Student Assistance
- Gifted & Talented Education (GATE)
- Instructional Materials
- K-12 Service Learning Initiative (CalServe)
- Lottery: Instructional Materials
- Professional Development Block Grant
- Pupil Retention Block Grant
- Regional Occupation Centers and Programs (ROC/P)
- School & Library Improvement Block Grant
- School Safety & Violence Prevention, Grades 8-12
- Special Education
