Title of Seminar Work: _____

My goal for today's seminar is to (check one):

Yield to another in order to share talk time

Refer to the text in detail

Consider multiple points of view

Speak out of uncertainty

After the seminar evaluate yourself on a scale of one to five (one being not so good and five being excellent) about how successful you were at achieving your goal. I would rate myself a _____ because...

Part 2: You are to go to our class's online discussion board (link is on my webpage) and login to your class using the following information:

Class 1: class name - 12Humanities1 pw: metrohuman

Class 2: class name - 12Humanities4 pw: metrohuman

You are to post under the topic blog "Socratic Seminar Reflection" ONE new idea or thought that stuck out to you during the seminar **and** comment on TWO of your other classmates postings. Your original post must be thoughtful and complete. It should be at least 4 sentences, if not more. The better posts you make, the better posts there will be to respond to. **MUST BE COMPLETED BY MONDAY!**
