Instruction

Co-curricular Activities/Transportation Fee

Transportation fees shall be required for students participating in co-curricular activities.

General Rules

1. The payment of the fee provides the student an opportunity to be a member of a team, group, or activity but does not, in any way, guarantee participation in athletic contests.
2. Refunds will be granted only for students who are cut or dropped from the activity by the teacher or coach.
3. Students who are dropped from an activity because of disciplinary action, academic ineligibility, or they have quit, will not be eligible for a refund.
4. If the fee represents a financial hardship for the family, the student must submit a fee waiver form for approval.
5. Individuals or groups have the option not to participate in the transportation fee and would be responsible for their own transportation, including costs and insurance.

Fee Schedule

Students will be charged \$40.00 per activity not to exceed \$80.00 per student and \$120.00 per family.

Fees are subject to yearly revision.
