Attendance

Aurora Charter School believes regular attendance is directly related to the success in academic work. This is a joint responsibility shared by the student, parent and administrators.

As required by **Minnesota Compulsory Instruction Law, Minn. Stat. 120.22**, the students are **REQUIRED** to attend all assigned classes every day school is in session, unless the student has been excused. All absences & tardies are recorded in the system.

Excused absence

To be considered an excused absence, the students parents or legal guardian may be asked to verify, in writing, the reason for the students absence. For example, a note from a physician stating the student could not attend, would be considered an excused absence.

Excused absence would include the following:

- ✓ Illness
- ✓ Medical/Dental Appointment
- ✓ Death in immediate family
- ✓ Court Appearance
- ✓ Religious instruction that does not exceed 3 hours in any week.

Unexcused absence

TRUANCY: Any absence that does not fall under the previously stated reasons or not approved by school administration.

Vacation or personal trips are considered unexcused absences. As well as 3 cumulated unexcused tardies equal one unexcused absence.

Continuing Truant

Minn. Stat. § 120.A requires schools to notify parents of student attendance obligation as previously stated.

- 1) **Elementary age** child is considered continuing truant, if absent 3 days (unexcused) from a single school year.
- 2) **Middle school age** child, is considered continuing truant, if 3 or more class periods are missed (unexcused) on any three days during a single school year.

Student Responsibility

It is the student's responsibility to attend all assigned classes every day that school is in session. It is also the student's responsibility to request any missed assignments due to any absence and turn them in within 3 Days of absence. This applies to both elementary and middle school.

More information will be available soon
