## State Testing

Dear families,

Students already started their MCAs. Students in 4<sup>th</sup> and 8<sup>th</sup> grade took their math tests and continue with reading next week. We would like to remind you that your support is very important. Please encourage children to go to bed early and eat well so they can give their best efforts.

These state tests allow us to know how much students have learned in order to improve teaching strategies and provide more academic support. If you have any questions, please feel free to contact me:

Mrs. Liliana Rodriguez at 612-722-1999

The deadline to confirm if your child is returning to Aurora next year 2015-2016 is March 27<sup>th</sup>. Keep in mind any spots that are not confirmed by this day will be made available to other children on our waiting list.
