

PANORAMA COMMUNITY SCHOOL DISTRICT  
INTERNET USE OPT-OUT FORM

As a parent or legal guardian of a student enrolled in Panorama Community School District, I recognize that in accordance with school board policy, my student has access to district-owned and operated computer systems, networks, and the Internet. Some of these systems are interactive in nature and allow my student to participate in online activities designed to enhance and extend classroom learning opportunities.

Furthermore, I understand that while the Panorama Community School District strives to provide protection from all objectionable material found on the Internet, some objectionable material is impossible to filter and may inadvertently be accessed.

**As a parent I am requesting that the district NOT allow Internet access to my student.** I understand that alternative assignments or activities will be made available to students without parental permission to access the Internet.
