PLEASANTON UNIFIED SCHOOL DISTRICT
STRATEGIC PLAN

MISSION
Our students will make a better world.

VISION
Every student will be a resourceful, resilient,
responsible and engaged world citizen.

Principal's Message

As a California Distinguished School and a National School of Character, Lydiksen Elementary School continues its commitment to high academic expectations and a strong character education program. We provide a quality-learning environment for student achievement and balancing academic success with individual personal growth for our students. Our goal is to provide a caring community, ripe with a knowledgeable staff, parent support and on-going partnerships with parents and the community to ensure the success of every student. The Lydiksen staff works diligently to produce comprehensive, challenging and balanced curriculum based on district standards to ensure that students meet or exceed grade level standards and expectations. Our school fosters student learning in a safe, nurturing environment that promotes positive character development and self-respect. In conjunction with the district's Strategic Plan and Shared Vision, we teach, reinforce, model and practice positive social and ethical behaviors daily.

In conjunction with Pleasanton's six expected behaviors, we continue to integrate the 40 Developmental Assets into our character education programs. Lydiksen's School Based Coordinated Plan emphasizes the continuation of improving reading comprehension and literacy skills, increasing mathematical concepts, instilling personal responsibility and empowering students to be the best that they can be. The Lydiksen staff continues to assess each student regularly to assist in developing teaching strategies that address student needs to assure that all students have the best opportunity to learn and grow, socially, emotionally, and academically. Our parent community is invaluable. High academic expectations, parent involvement and school-to-home communication creates a powerful partnership. School volunteers, successful fundraising, special projects, program evaluation and strong leadership from staff and parents enhances the wide variety of school activities we enjoy at Lydiksen. Lydiksen exemplifies community effort committed to excellence and continues to be a place where, "Kids Come First."

Mission Statement

The Lydiksen community seeks to foster a strong partnership between home and school, creating a positive and challenging environment that meets the individual needs of all students as they meet or exceed rigorous state standards. We are dedicated to promoting integrity, honesty, self-discipline, responsibility, respect, and compassion.

School Profile

Lydiksen Elementary School is located in the northwestern region of Pleasanton and serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2011-12 school year, 697 students were enrolled, including 15% in special education, 15% qualifying for English Language Learner support, and 6% qualifying for free or reduced price lunch. Lydiksen Elementary School achieved a 2012 Academic Performance Index (API) score of 905.

Student Enrollment by Ethnicity / Grade Level 2011-12			
Ethnic Group	%	Grade Level	#
African-Amer.	3.44 %	Kindergarten	100
Amer. Indian or Alaskan Native	0.57 %	Grade 1	107
Asian	28.98 %	Grade 2	118
Filipino	2.15 %	Grade 3	125
Hisp. or Latino	7.75 %	Grade 4	108
Pacific Islander	0.43 %	Grade 5	139
Caucasian	52.22 %		
Multi-Racial	4.45 %		
Total Enrollment			697

Student Achievement

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested can be found on CDE's Standardized Testing and Report Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2011 STAR Program Summary Results to the Public guide at <http://star.cde.ca.gov/star2012/>.

STAR Results - All Students Percentage of Students Scoring at Proficient & Advanced Levels									
	Lydiksen Elementary School			District			California

Social Science	80	*	*	*	*	*	*

Physical Fitness

In the spring of each year, Lydiksen Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2011-12			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Fifth	20.10%	31.70%	21.60%
Seventh	N/A	N/A	N/A
Ninth	N/A	N/A	N/A

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2009	2010	2011
Statewide Rank	9	9	9
Similar Schools Rank	2	2	3

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2011-12 AYP cycle, elementary and middle schools must achieve a 78.4% or higher proficiency rate in all subgroup populations for English/Language Arts and 79% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 740 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2011-12

Language Arts	Yes	No
Math	No	No
API Score	Yes	Yes
Graduation Rate	N/A	No

Reported data based upon performance of all subgroups for each of the areas listed

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2011-12, Lydiksen Elementary School did not participate in the Title I program and is therefore not required to comply with program mandates.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through the school marquee, the school website, Green Team News, classroom newsletters, Lydiksen newsletter, and eConnection. Contact the school office at (925) 426-4420 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Lydiksen Elementary School's original facilities were built in 1967 and ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests.

Every morning before school begins, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Lydiksen Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- Groundskeeping
- Office area cleaning
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Event setup/cleanup

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Lydiksen Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2011-12 school year, Lydiksen Elementary School did not qualify to receive deferred maintenance funds for campus repairs and/or improvements.

Facilities Inspection

The district's maintenance department inspects Lydiksen Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Lydiksen Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Wednesday, October 10, 2012. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2011-12, all restrooms were fully functional and available for student use.

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the administrator, teachers, and campus supervisors are strategically assigned to designated entrance areas, the breakfast area and playground. During recess, staff members supervise playground activity. The administrator, campus supervisors, and lunch supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the administrator and teachers monitor student behavior to ensure a safe and orderly departure.

Lydiksen Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Lydiksen Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed by school staff in February 2012 and updated in February 2012. Staff responsibilities and safety plan updates were discussed with staff in August 2012.

Classroom Environment

Discipline & Climate for Learning

Lydiksen Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	LES		
	09-10	10-11	11-12
Suspensions (#)	5	3	6
Suspensions (%)	0.81 %	0.46 %	0.86 %
Expulsions (#)	0	0	0
Expulsions (%)	0.00 %	0.00 %	0.00 %
PUSD Elementary Schools			
Suspensions (#)	86	81	85
Suspensions (%)	1.39 %	1.28 %	1.34 %
Expulsions (#)	0	0	0
Expulsions (%)	0.00 %	0.00 %	0.00 %

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for 2 days and then suspended a month later for three days is counted as two cases of suspension.

Class Size

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Combo classes are any combination of the grades shown.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Lydiksen Elementary School revolve around the California State Content Standards and Frameworks. During the 2011-12 school year, Lydiksen Elementary School held staff development training devoted to:

- Data Analysis
- Instructional Strategies
- Math Training
- Technology Training

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, district benchmark results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Lydiksen Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2011-12 school year, Lydiksen Elementary School's teachers attended the following events hosted by the Pleasanton Unified School District:

- Bay Science Champions
- Best Practices in Teaching Leadership
- Distinguished Speaker Series
- Envision Learning Partners
- Integrated Learning Specialist Program
- Kids Challenge Pilot Project
- SMART Board Training
- STEM (Science, Technology, Engineering and Math) Training
- Super School Science
- Teacher Action Research

Lydiksen Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Staff Development Days Three-Year Trend

3	3	3

Instructional Materials

All textbooks used in the core curriculum at Lydiksen Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 11, 2012, the Pleasanton Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials

have been provided to students. The Board of Trustees adopted Resolution No. 2012-2013.05 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2012-13 school year, Pleasanton Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Textbooks		
Adoption Year	Publisher & Series	Pupils Lacking Textbooks
History-Social Science		
2006	Scott Foresman, <i>Addison Wesley History-Social Science</i>	0 %
Language Arts		
2003	Houghton Mifflin, <i>California Reading</i>	0 %
Math		
2009	Pearson Scott Foresman, <i>Scott Foresman - Addison Wesley enVisionMath California</i>	0 %
2009	Scott Foresman, <i>California Mathematics</i>	0 %
Science		
2007	Macmillan/McGraw-Hill, <i>Macmillan/McGraw-Hill California Science</i>	0 %

The textbooks and instructional materials used by the school are the most recently SBE adopted instructional materials.

School Leadership

The principal works closely with the school's leadership team to provide a well-balanced, rigorous core curriculum aligned with state standards. Principal Mindy Bolar is responsible for the day-to-day operations of the school and overall instructional program. Coordinating efforts with the Principal is the Leadership Team, comprised of the principal, staff members, and grade level representatives. The Leadership Team meets monthly throughout the year to discuss instructional strategies, evaluate student assessment data, and develop or modify programs to meet students' learning needs.

Principal Mindy Bolar has been in the educational field for 23 years and serving Lydiksen Elementary School for one years (as of 2012-13). Previous positions held in other schools include: assistant principal, classroom teacher, Teacher on Special Assignment, Director of Educational Services, and Coordinator of Staff Development. Principal Mindy Bolar holds a bachelor's degree in Liberal Studies, a master's degree in Curriculum, and a Clear Administrative Services Credential.

Professional Staff

Counseling & Support Staff

Lydiksen Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff

to Lydiksen Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2011-12		
	No. of Staff	FTE
Counselor	1	0.50

Nurse	1	*
Reading Specialist	1	1.0
Resource Specialist	1	1.0
Technology Specialist	1	0.50

* as needed
FTE = Full-Time Equivalent

Teacher Assignment

During the 2011-12 school year, Lydiksen Elementary School had 29 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2011-12		
	Taught by NCLB-Compliant Teachers	Taught by non-NCLB-Compliant Teachers

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2010-11 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2010-11		
	PUSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$54,142	\$40,932
Mid-Range Teacher Salary	\$78,570	\$65,424
Highest Teacher Salary	\$95,395	\$84,596
Superintendent Salary	\$216,367	\$204,089
Average Principal Salaries:		
Elementary School	\$125,361	\$106,806
Percentage of General Fund Expenditures for:		
Teacher Salaries	42%	39%
Administrative Salaries	4%	5%

Expenditures Per Student

For the 2010-11 school year, Pleasanton Unified School District spent an average of \$7,543 of total general funds to educate each student (based on 2010-11 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Pleasanton Unified School District receives state and federal categorical funding for special programs. For the 2010-11 school year, the district received categorical, special education, and support programs funds for:

- ARRA: State Fiscal Stabilization Fund
- Class Size Reduction, Grades K-3 (optional)
- Economic Impact Aid (EIA)
- K-12 Service Learning Initiative (CalServe)
- Lottery: Instructional Materials
- Special Education
- State Lottery
- Title I
- Title II
- Title III
- Transportation
- Transportation: Special Education
- Vocational Programs

SARC Data

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Lydiksen Elementary School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability, including but not limited to API, AYP, STAR results, enrollment, and staffing.

Public Internet Access Location

Parents may access Lydiksen Elementary School's SARC and access the internet at any of the county's public libraries. The closest public library to Lydiksen Elementary School is Pleasanton Public Library.

Address: 400 Old Bernal Ave., Pleasanton
 Phone Number: (925) 931-3400
 WebSite: <http://www.ci.pleasanton.ca.us/library.html>
 Number of Computers Available: 24

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Pleasanton Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials and school facilities sections were acquired in November 2012.

Nondiscrimination

The District's programs and activities shall provide equal access to and shall not unlawfully discriminate based on actual race, color, ancestry, national origin, ethnic group identification, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or expression, or genetic information; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics and against students who are members of special populations. Special populations include, but are not limited to, students with disabilities; students from economically disadvantaged families, including foster youth; students preparing for nontraditional fields; single parents and single pregnant females; displaced homemakers; and students with limited English proficiency. (20 USC 2302, 2354, 2373)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 1312.3 - Uniform Complaint Procedures)
