## Principal's Message

Pleasanton Middle School was designated as a Program Improvement school in early February, 2011. As a staff, we have further embraced the fact that some of our student subgroups have been underserved and are in need of additional support. We are committed to helping all of our students experience academic success, and are working hard to identify and serve each individual student who is not making adequate yearly progress. To that end, we have developed Intensive Intervention classes and academic support during the school day, and Strategic Interventions before and after school. Both of these intervention efforts have required monetary and personnel support from the district. Title I and categorical funding from the district was utilized to purchase staffing for intervention classes and additional instructional materials, new software, and equipment to assist our underserved students. Teachers and administrators alike are participating in numerous trainings and professional development in order to better support student achievement. We anticipate that our efforts will result in great educational success for all of our students, and are already beginning to see improvements in student growth!

We are pleased to report that our efforts have resulted in significant growth for all of our students and our school is in safe harbor indicating our last year's percent proficient or above level was higher than the previous year's percent proficient or above level.

## Mission Statement

The goal of the faculty and staff at Pleasanton Middle School is to prepare students to meet the challenges and demands of the twenty-first century. Our program is designed to meet the academic, social, emotional, and physical needs of the young adolescent. The comprehensive core curriculum is thoughtfully formulated to emphasize academic achievement, encourage student responsibility, and enhance self-esteem. We are committed to providing positive support and guidance for students during this transitional period.

## School Profile

Pleasanton Middle School is located in the central region of Pleasanton and serves students in grades six through eight following a traditional calendar. At the beginning of the 2011-12 school year, 1224 students were enrolled, including 10% in special education, 9% qualifying for English Language Learner support, and 10% qualifying for free or reduced price lunch. Pleasanton Middle School achieved a 2012 Academic Performance Index (API) score of 942 and met all 2012 Adequate Yearly Progress criteria.

Student Enrollment by Ethnicity / Grade Level  
2011-12

Ethnic Group	%	Grade Level

# Student Achievement

## Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested can be found on CDE's Standardized Testing and Report Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2011 STAR Program Summary Results to the Public guide at <http://star.cde.ca.gov/star2012/>.

## Physical Fitness

In the spring of each year, Pleasanton Middle School is required by the state to administer a physical fitness test to all students in grade seven. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

## Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

**Growth Targets:** For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

**Statewide Rank:** All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

**Similar Schools Rank:** School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison

## Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2011-12 AYP cycle, elementary and middle schools must achieve a 78.4% or higher proficiency rate in all subgroup populations for English/Language Arts and 79% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 740 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website [www.cde.ca.gov/nclb/](http://www.cde.ca.gov/nclb/) and the U.S. Department of Education's website [www.ed.gov/nclb/accountability/](http://www.ed.gov/nclb/accountability/).

## No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2011-12, Pleasanton Middle School qualified for Title I Targeted Assistance funding and is subject to comply with Title I program requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website [www.cde.ca.gov/ta/ac/ti/](http://www.cde.ca.gov/ta/ac/ti/).

## Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, the school marquee, the school website, teacher websites, the bilingual parent liaison, and eConnection. Contact Judi Palin at (925) 426-4390 for more information on how to become involved in your child's learning environment.

## School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Pleasanton Middle School's original facilities were built in 1990 and ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Two day custodians and three evening custodians are assigned to Pleasanton Middle School. The day custodians are responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Groundskeeping
- Office area cleaning
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description	
Year Built	1990

Tennis Courts	1

## Deferred Maintenance

Pleasanton Middle School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2011-12 school year, Pleasanton Middle School did not qualify to receive deferred maintenance funds for campus repairs and/or improvements.

## Facilities Inspection

The district's maintenance department inspects Pleasanton Middle School on an annual basis in accordance with Education Code §17592.72(c)(1). Pleasanton Middle School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Wednesday, October 31, 2012. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2011-12, all restrooms were fully functional and available for student use.

Repair Needed and Action Taken or Planned	
Section Number	Comment
(2)	Bldg. 200, 300, 600, and 700 - all HVAC units at this school are 20+ years old and should be replaced. The site is experiencing continuous problems and breakdowns. This is specially true with the heat pump type units on extremely hot or cold days when they are needed the most. Modernization of the HVAC system is planned for in our Deferred Maintenance Program for the 12/13, 13/14 and 14/15 school years.
(14)	Throughout school site - kalwal skylight systems are starting to deteriorate due to age and should be addressed through modernization.

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
	✓		

### Rating Description

*Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.*

## Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators, teachers, and campus supervisors patrol the campus, entrance areas, and designated common areas. Administrators and campus supervisors monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, administrators, teachers, and campus supervisors monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

Pleasanton Middle School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

## School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Pleasanton Middle School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in October 2012.

## Classroom Environment

### Discipline & Climate for Learning

Pleasanton Middle School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize

classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

## Curriculum & Instruction

### Staff Development

All training and curriculum development activities at Pleasanton Middle School revolve around the California State Content Standards and Frameworks. During the 2011-12 school year, Pleasanton Middle School held staff development devoted to:

- Curriculum & Assessment
- Diversity
- Equity Training
- GLAD Training
- Math Department Training
- Intensive Interventions
- Implementation of OARS Data System

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, district benchmark results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Pleasanton Middle School supports ongoing professional growth throughout the year on minimum days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2011-12 school year, Pleasanton Middle School's teachers attended the following events hosted by the Pleasanton Unified School District:

- Best Practices in Teaching Leadership
- Distinguished Speaker Series
- Envision Learning Partners
- Integrated Learning Specialist Program
- Real World Science
- SMART Board Training
- STEM (Science, Technology, Engineering and Math) Training
- Super School Science
- Teacher Action Research
- DSLT (District/Site Leadership Team)

Pleasanton Middle School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

### Instructional Materials

All textbooks used in the core curriculum at Pleasanton Middle School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 11, 2012, the Pleasanton Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 2012-2013.05 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2012-13 school year, Pleasanton Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the

state's content standards and curriculum frameworks.

### School Leadership

The principal works closely with the vice principal and the school's leadership team to provide a well-balanced, rigorous core curriculum aligned with state standards. Principal John Whitney is responsible for the day-to-day operations of the school and overall instructional program. The principal and vice principal work as a team to fulfill the many responsibilities associated with running an effective educational program. Also coordinating efforts with the Principal is the Leadership Team, comprised of the principal, vice principal, and department chairs. The Leadership Team meets monthly throughout the year to focus on instructional issues and school operations.

Principal John Whitney has been in the educational field for 22 years and serving Pleasanton Middle School for 13 years (as of 2011-12). Previous positions held in other schools include: vice principal and classroom teacher. Principal John Whitney holds a bachelor's degree in Life Science, a master's degree in educational administration and supervision, and a Clear Language Development Specialist Certificate, a Clear Multiple Subject Teaching Credential, and a Clear Administrative Services Credential.

## Professional Staff

### Counseling & Support Staff

Pleasanton Middle School provides professional, highly qualified staff that provide

additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Pleasanton Middle School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2011-12		
	No. of Staff	FTE
Counselor	3	2.50
Speech Specialist	2	0.80
Health Clerk	1	0.50
Nurse	1	*
Psychologist	1	0.60
Speech/Language/Hearing Specialist	1	1.00

\* as needed

Counselor-to-Student Ratio: 1:408

FTE = Full-Time Equivalent

### Teacher Assignment

During the 2011-12 school year, Pleasanton Middle School had 63 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2011-12		
	Taught by NCLB-Compliant Teachers	Taught by non-NCLB-Compliant Teachers
Pleasanton Middle School	100.0 %	0.9 %
<b>District Totals</b>		
All Schools	99.7 %	0.3 %

## District Expenditures

### Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2010-11 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2010-11		
	PUSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$54,142	\$40,932
Mid-Range Teacher Salary	\$78,570	\$65,424
Highest Teacher Salary	\$95,395	\$84,596
Superintendent Salary	\$216,367	\$204,089
<b>Average Principal Salaries:</b>		
Middle School	\$129,804	\$111,776
<b>Percentage of General Fund Expenditures for:</b>		
Teacher Salaries	42%	39%
Administrative Salaries	4%	5%

### Expenditures Per Student

For the 2010-11 school year, Pleasanton Unified School District spent an average of \$7,543 of total general funds to educate each student (based on 2010-11 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Pleasanton Unified School District receives state and federal categorical funding for special programs. For the 2010-11 school year, the district received categorical, special education, and support programs funds for:

- ARRA: State Fiscal Stabilization Fund
- Class Size Reduction, Grades K-3 (optional)
- Economic Impact Aid (EIA)
- K-12 Service Learning Initiative (CalServe)
- Lottery: Instructional Materials
- Special Education
- State Lottery
- Title I
- Title II
- Title III
- Transportation
- Transportation: Special Education
- Vocational Programs

Number of Computers Available: 24

#### Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Pleasanton Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials and school facilities sections were acquired in November 2012.

#### Nondiscrimination

The District's programs and activities shall provide equal access to and shall not unlawfully discriminate based on actual race, color, ancestry, national origin, ethnic group identification, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or expression, or genetic information; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics and against students who are members of special populations. Special populations include, but are not limited to, students with disabilities; students from economically disadvantaged families, including foster youth; students preparing for nontraditional fields; single parents and single pregnant females; displaced homemakers; and students with limited English proficiency. (20 USC 2302, 2354, 2373)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 1312.3 - Uniform Complaint Procedures)
