

POLICY: FUNDRAISING ACTIVITIES INVOLVING STUDENTS

The Board acknowledges that the solicitation of funds from students, staff and citizens must be limited since students are a captive audience and since solicitation can disrupt the program of the schools. Solicitation and collection of money by students for any purpose including the collection of money in exchange for tickets, papers, magazine subscriptions, or for any other goods or services for the benefit of an approved school organization may be permitted by the superintendent providing that the instructional program is not adversely affected.

Cash, prizes, or anything of monetary value in excess of fifty dollars (\$50.00) relative to the student's participation in the fundraising activities is prohibited if purchased through the Associated Student Body (ASB). Gift cards cannot be purchased through the ASB. This policy does not prohibit nor limit monetary awards or prizes from non-public or non-ASB sources.

The superintendent shall establish rules and regulations for the solicitation of funds by approved school organizations, official school-parent groups and by outside organizations. The principal shall distribute these rules and regulations to each student organization granted permission to solicit funds.
