

### Breaking Kapu Filmstrip

**Directions:** Using the provided reading, create a filmstrip using the filmstrip boxes below that shows the major events from the reading. Use at least 6 boxes (you can create more on the back of this paper or on another paper) and make sure the events covers the important points from the *beginning* to the *end* of the reading. The drawing needs to be in great detail, reflect a quality product and be colored. Additionally, in your own words write a two sentence caption below each box.
