## Principal's Message

I'd like to welcome you to Hearst's Annual School Accountability Report Card, which provides valuable information about our school's instructional programs, academic achievement, classroom materials, school safety, facilities and staff. It is a privilege and honor to be the principal and educational leader of our Monarch Community and 2006 California Distinguished School. Our namesake, Phoebe Apperson Hearst, was a staunch supporter of education, service to community, and early kindergarten movement, and co-founded the Parent Teacher Association (PTA). When you step foot onto our campus you will immediately feel the warmth and our strong commitment towards children.

Hearst's staff of just over 50 worked to meet the needs of our 752 TK-5 students last year. Through ongoing collaboration, our teachers have developed a program that exemplifies high academic standards, character education with the integration of technology. During the 2012-13 school year, we began preparing for Common Core State Standards which will be fully implemented in the 2014-15 school year. Our experienced staff meets student needs through data analysis, individualized and differentiated instruction. Our school-wide TRIBES program promotes mutual respect and personal responsibility. Each month we focus on one of the District's Community of Character Traits: Responsibility, Compassion, Self-Discipline, Honesty, Respect and Integrity.

Our parent and community involvement is essential to our success. Through ongoing communication and teamwork, we are confident that Hearst will continue to succeed. We are excited about our school accomplishments and welcome all to join in our efforts to create successful, responsible citizens.

## Mission Statement

Our school is dedicated to the development of the whole child, providing a solid foundation that stimulates thought, wonder, and a lifelong passion for learning. Students, staff, parents, and the Pleasanton community share the responsibility of creating a positive environment that empowers all students to reach their fullest potential in all core academic areas as well as character development.

Our Goals...

- Measurable and ongoing increases in student academic achievement
- A safe school climate that emphasizes mutual respect
- Ongoing partnerships with parents and the community
- A curriculum that meets students' individual talents and learning styles

## School Profile

Hearst Elementary School is located in the southern region of Pleasanton and serves students in transitional kindergarten through fifth grade following a traditional calendar. At the beginning of the 2013-14 school year, 705 students were enrolled, including 6.8% in special education, 9.8% qualifying for English Language Learner support, and 6.7% qualifying for free or reduced price lunch.

Student Enrollment by Ethnicity / Grade Level 2013-14

# Student Achievement

## Standardized State Assessments

Students at Hearst Elementary School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with other students in the state who took the same test. The STAR is comprised of a series of four components: the California Standards Tests (CST), the California Alternative Performance Assessment (CAPA), the California Modified Assessment (CMA), and Standards-based Tests in Spanish (STS). The STAR tables in this report illustrate the percentage of students achieving Proficient and Advanced levels of proficiency through fiscal year 2012-13. Beginning in 2013-14, students at Hearst Elementary School participated in the new statewide student assessment system program identified as CAASPP, California Assessment of Student Performance and Progress. For the 2013-14 school year, the CAASPP reports results for the CST, CMA, and CAPA science test given in grades five, eight and ten only.

Results are shown only for subgroups with ten students or more taking the exam. Detailed results by grade level for each student group can be obtained from the California Department of Education's website <http://star.cde.ca.gov>.

Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

## Physical Fitness

In the spring of each year, Hearst Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2013-14

	Four of Six	Five of Six	Six of Six
Fifth	12.8%	25.6%	53.4%

*Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

## Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

**Growth Targets:** For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

**Statewide Rank:** All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

## Adequate Yearly Progress

The Federal No Child Left Behind (NCLB) requires that all students perform at or above the proficient level on the state's standards based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

On March 7, 2014, the U.S. Department of Education approved California's testing waiver allowing flexibility in making AYP determinations for elementary and middle schools and unified school districts participating in the Smarter Balanced Field Test. CDE will not produce a 2014 AYP report for these qualifying schools and districts. High schools and high school districts will receive a 2014 AYP report based on achievement results from the grade ten California High School Exit Examination (CAHSEE) and California Alternate Performance Assessment (CAPA) as well as the cohort graduation rate.

The AYP table in this report illustrates the school's progress in meeting 2013-14 AYP target rates for applicable schools. More information on AYP can be found on the California Department of Education's (CDE) website [www.cde.ca.gov/nclb/](http://www.cde.ca.gov/nclb/) and the U.S. Department of Education's website [www.ed.gov/nclb/accountability/](http://www.ed.gov/nclb/accountability/).

## No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2013-14, Hearst Elementary School did not participate in the Title I program and is therefore not required to comply with program mandates.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website [www.cde.ca.gov/ta/ac/ti/](http://www.cde.ca.gov/ta/ac/ti/).

\*DW (Determination Waiver) indicates that the PI status of the school was carried over from the prior year in accordance with the flexibility granted through the federal waiver process.

## Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning – State Priority 1: Covered in *Teacher Assignment*, including the Teacher Credentials & Misassignments & NCLB Compliance charts; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Pupil Achievement – State Priority 4: Covered in *Standardized State Assessments*, including the STAR Results and CAASPP charts; *Academic Performance Index*, including API chart; and *College Preparation & Work Readiness*, including the CTE Program Participation and UC/CSU charts.

Other Pupil Outcomes – State Priority 8: Covered in *California High School Exit Exam*, including the CAHSEE charts; and *Physical Fitness*, including the Physical Fitness Test chart.

Parental Involvement – State Priority 3: Covered in *Parent Involvement*.

Pupil Engagement – State Priority 5: Covered in *Dropouts* and in *Graduation Requirements*, including Dropout & Graduation Rates and Completion of High School Graduation Requirements charts.

School Climate – State Priority 6: Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

## Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, the school marquee, the school website, Hearst Student Leadership, eConnection, teacher websites, "Hearst Headlines", and our Hearst PTA website. Contact Donna Zollinger at (925) 426-3772 for more information on how to become involved in your child's learning environment.

## School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Hearst Elementary School's original facilities were built in 2000; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians (one full-time and one part-time) are assigned to Hearst Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- Groundskeeping
- Office area cleaning
- Restroom cleaning
- Unlocking the campus
- Checking the playgrounds
- Cleaning the Kids Club
- Events set up/tear down

Restrooms are checked three times a day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Cleaning desktops and whiteboards
- Restroom cleaning
- Health office area cleaning
- Groundskeeping
- Events set up/tear down
- Locking the campus

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

### Deferred Maintenance

Hearst Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2013-14 school year, Hearst Elementary School did not qualify to receive deferred maintenance funds for campus repairs and/or improvements.

### Facilities Inspection

The district's maintenance department inspects Hearst Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Hearst Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Monday, September 22, 2014. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2013-14, all restrooms were fully functional and available for student use.

**Rating Description**

*Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.*

**Campus Supervision**

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the administrator and teachers are strategically assigned to designated entrance areas and the playground. During recess, teachers supervise playground activity. The administrator and lunch supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the administrator and teachers monitor student behavior to ensure a safe and orderly departure.

Hearst Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

**School Site Safety Plan**

The Comprehensive School Site Safety Plan was developed for Hearst Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in September 2014.

**Classroom Environment**

**Discipline & Climate for Learning**

Hearst Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive

measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

## Curriculum & Instruction

### Staff Development

All training and curriculum development activities at Hearst Elementary School revolve around the Common Core State Standards. During the 2013-14 school year, Hearst Elementary School held staff development devoted to:

- Data Analysis
- Building Inclusion
- Equity Training
- Common Core State Standards
- Character Education
- Bullying/Cyberbullying
- English Learner Strategies
- Backwards Planning
- Curriculum Mapping
- At-Risk Strategies
- Phonemic Awareness
- Science
- Digital Classroom Technology Training

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, district benchmark results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Hearst Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2013-14 school year, Hearst Elementary School's teachers attended the following events hosted by the Pleasanton Unified School District:

- Growing Readers in the 21st Century
- Supporting Students Through the SIP Process
- Lucy Calkins - Informational Writing
- Common Core State Standards
- SMART Boards
- Bridging the Achievement Gap Using SMART Technologies and Treasures/Tesoros
- Setting Measurable Goals for Struggling Readers
- Implementing iCommunication in the Classroom
- Special Education Job Alike
- Pearson Online Learning Exchange (OLE)
- Getting Started with Google Sites
- Technical Writing for Science Class
- Greater Good Summer Institute for Educators
- Learning Circles Seminar Series
- CHSSP (California History/Social Studies Project)
- Google in Education California Summit
- Report Card Training
- Making Math Visual
- Universal Design for Learning (UDL) and the Common Core Standards
- IntegratED Conference - Improving Education with Technology
- SuperSchool Science Seminars

Hearst Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

### Instructional Materials

All textbooks used in the core curriculum at Hearst Elementary School are currently being aligned to the Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, November 18, 2014, the Pleasanton Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution 2014-2015.08 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2014-15 school year, Pleasanton Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

### School Leadership

The principal works closely with the school's leadership team to provide a well-balanced, rigorous core curriculum aligned with state standards. Interim Principal Elias Muniz is responsible for the day-to-day operations of the school and overall instructional program. Coordinating efforts with the Interim Principal is the Leadership Team, comprised of the interim principal, grade level representatives, a specialist representative, and a classified representative. The Leadership Team meets monthly throughout the year to evaluate and implement strategies to ensure instructional programs meet student learning needs, state frameworks and standards; and the school site plan.

## Professional Staff

### Counseling & Support Staff

Hearst Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Hearst Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

### Teacher Assignment

During the 2013-14 school year, Hearst Elementary School had 32 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2013-14		
	Taught by NCLB-Compliant Teachers	Taught by non-NCLB-Compliant Teachers
Hearst Elementary School	100.0 %	0.0 %
<b>District Totals</b>		
All Schools	100.0 %	0.0 %
High-Poverty	0.0 %	0.0 %
Low-Poverty	100.0 %	0.0 %

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40% or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39% or less in the free and reduced price meals programs.

### Expenditures Per Student

For the 2012-13 school year, Pleasanton Unified School District spent an average of \$7,838 of total general funds to educate each student (based on 2012-13 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Pleasanton Unified School District receives state and federal categorical funding for special programs. For the 2012-13 school year, the district received categorical, special education, and support programs funds for:

- Class Size Reduction, Grades K-3 (optional)
- Economic Impact Aid (EIA)
- Education Protection Account
- Lottery: Instructional Materials
- Other Local: Locally defined

- Special Education
- State Lottery
- Title I
- Title II
- Title III
- Transportation
