# Six Word Memoir

- Create a Circle map and fill it with words and thoughts about your friendships and peer relationships.
- Whittle your thoughts and ideas down to six words that express something about your friendships and/or peer relationships.
- Post your six word memoir on the blog by next class.

First I hone; then I pwn.

—*Dan G.*

Met online; love before first sight.

—*Chris S.*

Rather be alone in my room.

—*Anais V.*

I have MORE THAN ONE  
PERSONALITY

I'm a dork  
Friends don't care

Sometimes we talk,  
usually they gossip.

*I'm not myself  
around my  
friends*

WISH MY FRIENDS WOULD BE  
**themselves.**

The few I trust. Love  
them.

**Trying to be  
cool not  
myself.**

**We're Weird.**  
**But we have fun.**

Now, let's see yours!
