The Four Year Plan is intended to give you and your parent(s) a guide to use as you progress through high school. You will want to review the plan each year to make sure you are taking the required courses for graduation. Your counselor will have sample Career Plans of Study for each of the Endorsements. You may use these as guides to help you select courses that support your career goals. Make sure you are taking academic courses to support your post-secondary plans. ***This plan is subject to course availability.***
