

PANORAMA COMMUNITY SCHOOL DISTRICT
INTERNET APPROPRIATE USE VIOLATION NOTICE

Student:

Teacher:

Date:

Students who access restricted items on the Internet shall be subject to the appropriate action described in the school's discipline policy or student handbook or to the following consequences:

_____ First Offense

The above student has violated the Student Internet Policy by intentionally accessing restricted material. He/she will lose Internet access privileges for at least three weeks and be subject to restricted lab use at the discretion of the supervising teacher.

_____ Second Offense

The above student has violated the Student Internet Policy by intentionally accessing restricted material for a second time. As a consequence of this violation the above student has lost Internet access for at least a period of 18 weeks or the balance of the school year and subjected to restricted lab use.
