From the Principal

Dear Alumni and Friends,

It seems like only yesterday that we said "Farewell" to the class of 2014. Our graduates are off to explore the fruits of their labor at San Francisco State, Sonoma State, Tuskegee Institute, Notre Dame and other institutions of higher learning. We prepared them for the rigors of post secondary education but most importantly, we have instilled in them the thirst for knowledge and a faith based education that values the goodness in others.

St. Elizabeth High School is a place of not only of books, homework, papers, lab experiments but a community determined to provide the best for our students. We have increased the number of Advanced Placement offerings to all students (AP United States History is a requirement of all 11th graders), renovated our gymnasium and stage complex thanks to the Wayne and Gladys Valley Foundation, provided additional tutoring hours and after school support for students but most importantly we have developed persons of character who are not afraid to express their Catholic faith. They pray, they worship, they are thankful and they respect the Catholic Social Teachings.

As we begin this new year and continue our mission, let us remember our values:

- Life and Dignity of the Human Person
- Call to Family, Community, and Participation
- Rights and Responsibilities
- Option for the Poor and Vulnerable
- The Dignity of Work and the Rights of Workers
- Solidarity
- Care for God's Creation

We educate the heart and soul of every child to be a person of faith and a believer in our responsibility to others.

Let us remember who we are and what we stand for.

Peace,

Martin M. Procaccio
President/Principal

From the Office of Institutional Advancement

Dear Alumni and Friends,

The school year has begun and the halls are filled with the laughter and excitement of our students. For the second year in a row our enrollment has increased, thanks to the hard work of the admissions team and the great effort of our entire community. Although the summer passed quickly it was filled with many changes. Thanks to a generous gift from the Wayne and Gladys Valley Foundation, our gymnasium and stage have been renovated. We hope that you will come see the results of our reno-

vation at the 2nd SEHS Hall of Fame Reception on Saturday, October 11 at 2 pm.

In August, the annual Tony Lema '52 Golf Invitational was held at Boundary Oaks Golf Course in Walnut Creek. Although temperatures reached above 100 degrees on the course, it didn't stop golfers from supporting the St. Elizabeth High School Scholarship Fund and connecting with old friends. Not to be missed was the opportunity to have a photo taken with the cup won by Tony at the 1964 British Open.

In this edition you will find our 2013–2014 annual report. We are very grateful to all who have so generously donated to St. Elizabeth High School, insuring that we stay true to our mission of providing qualified students a Catholic education regardless of their economic status. We hope that you will consider giving again this year or even feel moved to give for the first time.

Sincerely,
The Office of Institutional Advancement

How I spent my summer vacation:

This summer our students took the opportunity to extend their learning outside of the classroom. From advanced courses to volunteer opportunities, students gained knowledge and practiced their social responsibility to others as part of our commitment to the Catholic Social Teachings. Below are examples from a few of our students.

George Ochoa '15 (above right) was a volunteer gallery guide at the Oakland Museum for their "Super Awesome Giant Robot" exhibit. What started out as a two hour a week opportunity ended with 180 hours of volunteering over the summer, "it was an environment I understood, gaming is one of my hobbies," said George. Typically a reserved student, George learned how to open up and talk to large groups of people. In October he will return to the museum as a volunteer guide for their Dia De Los Muertos exhibit, he hopes to eventually apply for a job at the museum.

Arianna Briones '18 (far left) is a member of the Teen Wild Guide Program at the Oakland Zoo. The program trains students to teach guides about the different exhibits in the children's zoo and manage the contact yard. This summer, Ariana helped with the zoo camp and guided guests. She particularly liked learning about all of the animals and meeting new friends. She will continue to volunteer at the zoo this fall and looks forward to being able to hold the animals.

Jerry Bosh '15 (left) volunteered for the fourth year at Feed my Sheep Food Pantry in East Oakland. Jerry packed produce and worked with clients in need of assistance. He felt that it was a mind opening experience and learned that we waste a lot of food in this country that could be given to the homeless and poor. Jerry has volunteered over 200 hours at the food pantry and considered it to be "a lot of fun."

David Iniguez '15 (below) attended the Junior Statesmen of America, US Government Advanced Placement Course and Debate Class at Stanford University. David worked with professors from colleges and universities across the country. Aside from the academic rigor, what he appreciated most was the diversity of his classmates, "the diversity of perspectives really made the class enriching."

S.E.H.S. Inducts the 2014 Class of Saint Elizabeth High School Hall of Fame

This year's Selection Committee, chaired by Edras Gustin, Class of '64, met in late June to review the nominations for this year's Hall of Fame inductions and selected the group listed at right. There were many deserving nominees and it was a tough challenge making the final decisions. The committee members were Sr. Frances Clare, OP, Class of '62, Dennis Fernandes, Class of '66, Edras Gustin, Class of '64, Bob Howard, former coach and Athletic Director, Jennifer Martin, Class of '63, Frank Materrese Class of '72, Linda Remington, Director of Development, Rodney Antone St. Pierre, member of our Board of Trustees, and Ray Souza, Class of '63.

The committee did a great job in acknowledging the many ways one can achieve "fame"—professional achievements, giving back to our school or the community, excelling in sport or the creative arts. But the one thing that all our new inductees share in common is that unique spirit that is St. Elizabeth High School.

This year we have also initiated a special tribute to honor those of our alumni who have given their lives in service of our nation or of our community. These servicemen and police officers deserve a special place in our Hall of Fame so this year we will initiate a perpetual plaque inscribed with the names of each of those heroes who have brought such honor to our school by their ultimate sacrifice.

This year's Induction Ceremony and Reception will be held on Saturday, October 11 in the newly painted school gymnasium. We are hoping for a big turn out. If, by chance, you are reading this before that date you are welcome and encouraged to join us. Tickets are available at www.st-liz.org. If the date has passed you can find out more about our deserving inductees through the same link as we plan to upload their stories after the presentation is completed.
