Enrollment

Placement decisions for homeless students shall be based on the student's best interest. In determining a student's best interest, a homeless student shall, to the extent feasible, be placed in his/her school of origin, unless his/her parent/guardian requests otherwise.

The student may continue attending the school of origin for the duration of the homelessness and until the end of any academic year in which the student moves into permanent housing.

If the student is placed at a school other than the school of origin or a school requested by the parent/guardian, the Superintendent or designee shall provide the parent/guardian with a written explanation of the decision along with a statement regarding the parent/guardian's right to appeal the placement decision.

Once a placement decision has been made, the principal or designee shall immediately enroll the student in the school of choice, even if the parent/guardian is unable to provide the school with the records normally required for enrollment.

The principal or designee shall immediately contact the school last attended by the student to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunization or other medical records, the principal or designee shall refer the parent/guardian to the district homeless student liaison. The liaison shall assist the parent/guardian in obtaining the necessary immunizations or records for the student.

Enrollment Disputes

If a dispute arises over school selection or enrollment in a particular school, the student shall be immediately admitted, pending resolution of the dispute, to the school in which enrollment is sought.

The parent/guardian shall be provided with a written explanation of the placement decision, including an explanation of the parent/guardian's right to appeal the decision. He/she shall also be referred to the district liaison.

The district liaison shall carry out the dispute resolution process provided by the state as expeditiously as possible after receiving notice of the dispute.
