Period _____

Florida Everglades Travel Brochure

Due Date _____

Find the following information and create a travel brochure which will encourage people to visit the Florida Everglades. Include all items on the rubric. **Attach this rubric to your brochure.**

1. Design a cover for your brochure to invite travelers to visit the Florida Everglades. Include a welcome sentence and a picture. The more attractive and catchy your cover, the more likely travelers will visit!

20 points _____

2. Describe the Florida Everglades. Include information about the climate of this part of the USA (temperature, rainfall, and humidity), features of the Everglades that make it unique, the different habitats that are part of the Everglades (mangrove forests, hardwood hammocks, sawgrass prairies). Include at least 5 sentences and 3 pictures.

30 points _____

3. Find and paste pictures of 2 animals that live in the Everglades. For each animal, write a sentence identifying its name and include one interesting fact about the animal.

20 points _____

4. Find and paste pictures of 2 plants that live in the Everglades. For each plant, write a sentence identifying its name and include one interesting fact about the plant.

20 points _____

5. Write 2 additional sentences about anything else that is important or interesting about the Florida Everglades.

10 points _____

TOTAL _____

Feel free to include items like phone numbers, emails, twitter and facebook information (you can either be creative and make all of this up or investigate National Park Services - www.nps.gov/ever/index.htm for the real information). You could also consider adding some fun activities for kids like puzzles or mazes. These little 'extras' can make your brochure really stand out!
