

Algebra 1 – Schedule of Assignments

Below is a tentative schedule and a list of homework assignments. Use this syllabus to help you plan ahead, keep you organized and on track. There will be **NO** excuses for missed assignments, since the daily homework is listed below. You must **show all work** for problem-solving to receive full credit on assignments.

Date	CA	Agenda	Homework	(✓)
Monday 9/6/10		Labor Day – Holiday		
Tuesday 9/7/10		<ul style="list-style-type: none"> Welcome Class Introduction 	<ul style="list-style-type: none"> Register online at pearsonsuccessnet.com 	
Wednesday 9/8/10		<ul style="list-style-type: none"> Entry Level Assessment 	<ul style="list-style-type: none"> Register online at pearsonsuccessnet.com 	
Thursday 9/9/10		<ul style="list-style-type: none"> Entry Level Assessment (continued) 	<ul style="list-style-type: none"> Register online at pearsonsuccessnet.com Textbook pg. 2 #2-32 evens 	
Friday 9/10/10		1-1 Using Variables
