Coach to be Honored

35 Years at E. D. White Catholic

If you have ever played under the coaching of Preston LeJeune, we invite you to relive those memories by joining in a memorable celebration that will be free and open to the public.

On Friday, September 20 at 5:30 P.M., a presentation and reception will be held honoring Preston LeJeune with the naming of the new school gym in the Dr. Richard Morvant, Sr. Complex of Champions.

Preston began his career at E. D. White in the spring of 1978 as the defensive coordinator of the football team. During the summer of 1978 he was promoted to football's head coach. During a twenty-three year career as the Cardinals' head coach, Preston had an overall record of 181-82-1 which equates to a 68.8% winning record. During that time he coached four undefeated teams, 1982, 1984, 1990 and 1992. His teams won some type of championship seventeen out of the twenty-three years. Of those championships, eleven were district championships. His teams advanced to the state playoffs twenty out of twenty-three years. He was named District Coach of the Year nine times.

Coach LeJeune also coached the boys golf team to eight consecutive regional championships and the boys tennis teams to two regional championships. As an assistant baseball coach, two teams reached the state finals, and one was defeated in the semi-finals.

Under Preston's direction, the Cardinal athletic teams have won twenty-eight state championships in nine different sports.

For more information on the ceremony, please contact the Advancement Office at (985) 449-1859.

Dear Parents, Alumni, and Friends,

We have literally just closed the books on the 2012-2013 school year and from every aspect it was a great success. The highlights of the year are listed in this publication. No publication can accurately relate the sense of community, pride, and spirituality that is present at E. D. White Catholic. The class of 2013 displayed leadership throughout the year and left their imprint on our school's 158-year history. We wish them all the best as they move on to new chapters in their lives and pray that God watches over them.

We also said goodbye to six members of the staff, Mrs. Ruth Thibodaux, Mrs. Michelle Robichaux, Mr. John Robichaux, Mrs. Kristen Robichaux, Mrs. Regina Hebert, and Br. Francis David. Br. Francis has assumed the role of president at St. Stanislaus in Bay St. Louis, Mississippi. We wish them well and know that they will always be Cardinals at heart.

The conclusion of the 2013 school year also marked the completion of all major construction associated with Challenge 21. In 1998, a list of facility needs to prepare the school for the 21st century was compiled. For the past fifteen years we have addressed them with generous donations made to two capital campaigns, annual fund drives, and with other school funds. The cost was almost \$10,000,000 while donations have totaled almost \$9,000,000. For that reason, the annual fund drive for the 2013-2014 school year and beyond will focus on retiring the school's \$1.2 million debt. These improvements were much needed and will serve E. D. White Catholic students for many years. It is important to retire the debt and save the school over \$50,000 in interest payments per year.

As we turn our attention to the 2013-2014 school year, we welcome over 180 new students to our school. Our enrollment has risen to 775 students, an increase of over 50 students in the past two years. With your continued prayers and under the guidance of our principal, Mrs. Michelle Chiasson, and our dedicated staff, I am sure that the upcoming school year will continue to build on the traditions of excellence begun years ago by the Sisters of Mount Carmel and the Brothers of the Sacred Heart.

Yours in Christ

Thibodaux College Mass and Gala 100 Years of Service

Last school year marked the 100th anniversary of the opening of Thibodaux College and a century of continuous service of the Brothers in Thibodaux.

On January 11, 2013 approximately 200 guests attended the Brothers of the Sacred Heart Gala in the EDW Union. Brother Ray Hebert and Rev. Charles Perkins were the Celebrants for the school-wide Mass and then the gala was held later in the evening.

The program included talks from Brother Paul Montero S.C., Brother Xavier Werneth, S.C., Brother Ray Hebert, S.C., Brother Patrick McGinity S.C., and Brother Ronald Hingle, S.C., a reflections video presentation from Thibodaux College graduates on their days with the Brothers, and a presentation of the Thibodaux College banner donated by the Class of 1960.

The night ended with the Brothers gathered on stage to sing "Animes de L'amour."

Pictured is Bro. Xavier Werneth, S. C. speaking during the gala.

Cardinal Music

by Tim Robichaux, Cardinal Music Director

The Cardinal Music program had an outstanding year last year.

In 2012, the Cardinal Vanguard presented a marching show titled "Canvas." The theme of the show was to present a blank canvas to the audience, and throughout the show fill the canvas with the color of sound. The exciting aspect of the show was that the music was original music composed by a

2010 E. D. White alum, Ben Robichaux. The Cardinal Vanguard was named Reserve Grand Champion at the Vandebilt festival and Grand Champion at the Destrehan festival. The highlight of the year was at the Northwestern festival in Natchitoches, Louisiana. The Cardinal Vanguard was named Grand Champion at the festival, which included over 25 bands from Louisiana and Texas.

The band had 25 students who were selected for the District Honor Band. Four of those students, Alyssa Cruse, Hannah LaFleur, Joey Blake and Chelsea Thibodeaux were selected for the All-State Band.

The Indoor Percussion had another exciting year finishing in 2nd place at the Louisiana Circuit Championships.

The Winterguard had an outstanding year and achieved two "firsts" in our history. They placed 3rd at a WGI regional in Pensacola, Florida, and made it to the semi-finals placing 19th overall at the WGI World Championships in Dayton, Ohio where they competed against 125 other groups.

The Concert Band earned a Sweepstakes trophy at the District Festival. The Symphonic Band earned a Sweepstakes trophy at the district festival and then earned a Sweepstakes trophy at the State Festival with a fine performance of "William Tell" overture.

Athletic Highlights

by Preston LeJeune, Athletic Director

E. D. White Catholic's Athletic Department just completed another excellent year of sports competition. Our fall sports season was a very successful one. The boys and girls cross country teams each had a great season, both teams winning district championships. For the girls it was the 29th consecutive district championship and the boys team won its 15th straight district championship. At the state meet in Natchitoches, both the girls and boys team won state championships for the second year in a row. This was the second time in school history that the boys and girls won state championships in the same year. This was a tremendous accomplishment for Coach Don Grabert, Coach Tommy Schexnayder and the team.

The boys and girls swim teams had another great year. At the state meet in Sulphur, the boys team finished as the state runner-up. The difference between the state champion and state runner up came down to the last race. The girls' team finished fourth at the state swim meet.

The volleyball team won the district championship. This was the 14th district championship in the past 16 years, a truly outstanding accomplishment. The lady Cardinals received a bye in the first round of the playoffs and hosted Dequincy in the regional round of the playoffs. Dequincy was quickly eliminated and the team was off to the Pontchartrain Center for the state tournament for the 16th consecutive year. In the quarterfinal round the girls defeated Brusly in three games. In the semifinals the ladies defeated Vandebilt Catholic in four games. This advanced the team to the championship match for the eighth time in the past 12 years. This was a great match against Ursuline Academy of New Orleans. The lady Cardinals were defeated in a thrilling five game match. This marked the 7th time that the Lady Cardinals finished state runner-up.

The football team started off the season very strong, winning its first four games. In week one, the Cardinals defeated Vandebilt. This was the only loss for Vandebilt in the regular season. The team qualified for the playoffs and met Brusly in the bi-district round. The Cardinals were defeated in that game and ended the season with a 6-5 record.

The winter sports season was equally successful. The girls basketball team had one of the most successful seasons in the history of the school. The lady Cardinals won the district championship for the third time in the last four years. The girls entered the playoffs and defeated Erath in the bi-district round and Caldwell

Enhancing Self-Esteem

Parish in the regional round. The Cardinals were defeated in the quarterfinal round of the playoffs by a very good Baker team. The game went down to the last minute of play before Baker pulled it out. This season marked the first time that a girl's basketball team had reached the quarterfinal round since 1980.

Girls' soccer had another good season. The lady cardinals finished as the district runner-up. They entered the playoffs and won the bi-district match against Opelousas. The girls were eliminated in the regional round by Neville High School of Monroe. The boys soccer team had another great season, The Cardinals won the district Championship for the eighth straight year. The team entered the playoffs and received a bye in the bi-district round. They then hosted Deridder and defeated the Dragons to advance to the quarterfinal round. The Cardinals traveled to Beau Chene and were defeated 1-10 in the final minutes of the match. The 2013 seniors have never been on a team that failed to win a district championship.

This year the boys bowling team had to travel to Houma to practice and play its matches. Guy Guidry and Bro. Patrick McGinity did a good job with the team. One of the bowlers qualified for the regional tournament held in Houma.

The spring sports captured several championships and the teams did a really good job. Boys golf had a tremendous season, going undefeated in the regular season and winning the district championship. The boys placed third at the regional tournament and fifth at the state tournament. The girls' team had the best season since we have been playing girls golf. The girls won the district championship and placed sixth at the regional golf tournament.

The boys track team finished second at the district meet hosted by EDW. From the district meet, our boys qualified in 13 events for the regional meet held at Jewel Sumner. The Cardinals finished fourth at the regional meet. Two of our athletes qualified for the state meet held at LSU. The lady cardinals had a tremendous season. They won the district meet held at EDW. They then won the regional meet hosted by Jewel Sumnar. Several of our lady track athletes qualified for the state meet held at LSU. The teams finished in the ninth place at the state meet. The 4X400 relay team won the state championship, edging out Donaldsonville in a great race, setting a new school record.

The softball team ended the season with an 18-12 record. The team finished 3rd in the district but won a bi-district championship by defeating Church Point. The lady Cardinals then came home and played North Vermilion in the regional round of the playoffs with a trip to the state tournament on the line. The ladies were defeated by North Vermilion. Our softball team did a great job, they play in probably the toughest district in the state.

Baseball had another successful season finishing with a fifth straight district championship. The Cardinals entered the playoffs and defeated Albany in the bi-district game, Jewel Sumner in the regional round and North Vermilion in the quarter final round. The North Vermilion win qualified the team to go to the state tournament held in Sulphur. In the semi-finals we met district foe Brusly and shut them out 4-0 advancing to the state championship game. The Cardinals then played Parkview for the state championship. After falling behind 9-0, the Cardinals rallied in the sixth and seventh innings to score five runs but fell short of the championship by a score of 9-5. The team ended the season with a 28-5 record. This was a tremendous accomplishment for Coach Shane Trosclair, Coach David Constant and the team.

The girls' tennis team had another great season. The lady Cardinals finished with a 15-4 record in the Bayou-River League, finishing as the league runner-up. The regional tournament was hosted by EDW at Nicholls State University. The girls won the regional tournament and had all five entries qualify for the state tournament in Monroe. The girls finished in third place at the state tournament. The boys tennis team was equally successful. During the regular season the boys also finished with a 15-4 record and were the Bayou-River League runner up. The Cardinals won the regional championship at the regional tournament held at Nicholls. The team qualified five entries to the state tournament and finished third.

Last summer we undertook a major renovation project. We enlarged the football dressing room which will be known as the David Autin Dressing Facility, built a boys basketball locker room, built girls basketball and volleyball locker rooms and built a womens' coaches office. In addition to these renovations the boy's weight room floor was repaired and the Cardinal Club helped purchase new equipment to provide a weight room for girls athletics. Brand new lockers were built for each locker room and new desks were placed in the coaches' office.

We are presently installing artificial turf on the football field. The contractors are trying to have the field ready for the first game of the season against Vanderbilt on September 6. Once the turf is installed we have some of the finest athletics facilities in the state. This was made possible by a donation from the Broussard and Bernard families.

We are truly blessed to be able to work such a great group of student athletes, parents and supporters of our school and athletic programs.

iPads

First Year Complete

The iPad implementation completed its first school year, with every student at E. D. White having an iPad in hand for the 2012-2013 school year.

The three year project was made possible from Annual Fund donations to pay for the infrastructure necessary to support an iPad for every student.

All Souls Day Memorials

November has traditionally been the month in which the Church remembers its deceased members in a special way. This November we plan to involve our entire school community in special prayers of remembrance for all of our deceased alumni, parents, relatives, and friends.

To make our prayers more specific and significant, we invite you to write the names of your deceased relatives and friends on the form below, detach it, and send it to us by return mail.

At our school liturgy on November 1, we will remember in thanksgiving all of our alumni, family members, and friends who are deceased. In addition, throughout the month of November, our daily classroom prayer with students will include these intentions. Finally, we will place the names returned to us on the altar in the Brothers' chapel at their residence. The Brothers will remember these people in their Masses and prayers throughout the month of November.

We ask that you not send an offering. This is our offering to you, the alumni, parents, and friends of E. D. White Catholic High School.

In your Masses and prayers, please remember the following:

School Safety

Community Working Together

On June 5, E. D. White was the location of a mock school shooting drill which included over 15 agencies throughout Lafourche Parish, for a training exercise.

Student volunteers began their day at 8:00 A.M. and were given tags to wear around their neck with information that stated the condition they were in. Members from the EDW Movie Club made fake blood for those students whose card read that they were wounded. The students were then broken up into groups and separated to different areas and classrooms throughout the campus.

The drill took approximately 4 hours and involved agencies such as the Thibodaux Police Department, Lafourche Parish Sheriff's Office, and the Crisis Management Unit- a unit made up of Lockport Police, Golden Meadow Police and Port Fourchon Harbor Police, as well as the Lafourche Parish Sheriff's Office and Thibodaux Police.

Thibodaux Regional Medical Center was also involved in the drill. Students with a card that read injured were transported to the hospital by ambulance and where taken care of by medical staff.

Supervisors of the drill evaluated response times, decision making and the tactics used after the training exercise was completed.

Opportunities for Giving

Annual Fund

The focus of the annual fund for the 2013-2014 school year is to reduce the school's debt.

Gifts to Specific Programs

Donations to specific curricular or co-curricular areas, programs, or other designations provide a more direct method of giving in the area of greatest interest to the donor. Your gift opportunities include cash and specific gifts to departments or programs.

Memorial Gift

Gifts to the EDW Endowment Fund or the EDW Annual Fund can be given in memory of a friend or loved one. Gifts may also be given in honor of an anniversary, birthday, graduation, or other significant event.

Endowment Fund

Donations are on deposit with the Diocese of Houma-Thibodaux and earn interest each year. The interest income from these named endowment funds is used to subsidize the operating budget each year and to provide financial aid to families who could not otherwise afford to give their children a quality Catholic education. These dedicated, perpetual gifts help assure the continued excellence and existence of EDW and its affordability for generations of young people to come.

Mount Carmel / Sacred Heart Educators Fund

The interest from this perpetual gift will eventually allow us to offer competitive salaries, and at the same time, attract the next generation of educators who will keep alive the teaching traditions of the Brothers of the Sacred Heart and the Sisters of Mount Carmel.

Guardian Angel Student Aid Fund

Donations for tuition assistance will be placed in our Endowment Fund, and funds derived from the interest will be used to help families in need of tuition assistance.

Planned Giving

Planned gifts can benefit EDW while helping you to save taxes, increase your income, and pass more onto your heirs. Planned gifts are contributions by a donor through his or her estate. A statement in the donor's will or trust can direct the personal representative to give to EDW. Gifts include appreciated securities, real estate, business interests, life insurance, personal property, and retirement plans.

2012-2013 Highlights

Faculty and staff dressed up in princess and evil witch costumes and performed a skit for the Homecoming pep rally on October 18.

EDW celebrated its annual Veterans Day Program November 12.

In October, students, faculty and family members of E. D. White gathered together in the stadium to pray a Living Rosary.

Sara Robichaux Guidry '96, who practices dentistry in Thibodaux, was the guest speaker for the Seniors Grandmother/Mother/Daughter Breakfast on March 24 at Envie Restaurant.

Dr. Jacques Gaudet '99, who works at Southern E.N.T. as an Otolaryngologist, was the speaker for the senior boys Grandfather/Father/Son breakfast on April 14 at Envie Restaurant.

The first ever National Honor Society Cardinal Cook-Off was held March 17 in the Union with all dishes cooked and prepared by students and faculty of EDW.

Edward Douglas White Catholic High School held its 2012 Hall of Fame induction ceremony December 2 at Envie Restaurant in Thibodaux to honor Eddie Cole (top left) and Brother Paul Montero (top right).

The annual EDW Fishing Rodeo was held June 30, 2012 at Bridgeside Marina in Grand Isle.
