

## Volunteer Hours Log

In compliance with the Guardian Angel Tuition Assistance Program & Hope For the Future Scholarship, all recipients of these scholarship funds must complete 10 hours per semester/scholarship of volunteer service to Notre Dame Catholic School. Please complete this form every time you volunteer so that your file will be properly documented for the Guardian Angel Review committee and Hope For The Future Scholarship committee. In effort to keep your scholarship information confidential, please return the form to the school bookkeeper.
