Dear Parent or Guardian:

At Bautista Creek Elementary school we're starting our second year using the new Accelerated Reader program, *Renaissance Place Enterprise*. The best part about this program has been having access to every test ever written. We love that our students have the opportunity to read and take quizzes on nearly 200,000 books, *and counting!* These books may be on your home library shelves, at the public library, or even at the baby-sitter's house. In addition to the AR quizzes, your student can also test on hundreds of Vocabulary and Literacy quizzes.

Another exciting feature of AR Enterprise is *Renaissance Home Connect*. This program lets you, the parent or guardian, have instant access to your student's AR achievement. You and your student may access the *Renaissance Home Connect* outside of school from any computer with an Internet connection. It's fun and easy to use, and it allows the parents to view their children's goals and points records, and see how they're progressing. You'll also be able to print the Student Record Report, Words Learned Report, Vocabulary information and Quiz List. This is an awesome way the teacher, your student and you will be able share information about your student's progress in Accelerated Reader. The program is completely private. The parent can only access information about his or her children.

All AR testing is still only done at our school site, but, if you'd like to receive an email showing your students quiz or test results, shortly after your student has taken the test, you can set up an email link to *Renaissance Home Connect*.

To log in to the *Renaissance Home Connect* website go to:

<https://hosted195.renlearn.com/272568/HomeConnect>, and click on **Parent**. Your student should know his/her User Name and Password information (check with the teacher, if not); make a note of it below, as you'll need it every time you log in.

User name _____ Password _____

Would you like to receive emails showing your student's quiz or test results? That can be done, as well. Just click the **Email Setup** link in *Renaissance Home Connect* and follow the directions. To be sure these emails reach your inbox, add homeconnectautodelivery@renlearnrp.com to your address book.

We think you'll be very pleased with this AR program. Here at Bautista, we are thrilled to have it in place! If you have questions about *Renaissance Home Connect*, feel free to contact us.

Thank you.
