

Evacuation Instructions for All Emergency Drills

Classes in the 600 and 500 buildings:

Please escort your class to the quad and use the Hawthorn gate to enter the field.

Classes and Offices in the 400 and the 300 buildings:

Please walk north through the quad and enter the track via the Home Ticket Booth area.

Classes in the Lower 200s:

Walk your class along the walkway next to the Orange gate and enter the track through the gate that is next to the visitor's ticket booth.

Classes in the upper 200s and upper 100s:

Please escort your class to the track via the stairs located on the north hallway on the second floor. These stairs will allow you to enter directly onto the field.

PE Classes:

Please use the walkway between the PE and the Auto Shop buildings.

Please follow the visual illustration on the attached map
