Youth Grief

Many of our students here at WES have experienced the loss of a loved one. Hospice of Hawaii makes available FREE grief counseling, supports and education for anyone grieving or anticipating the death of a loved one.

Groups and individual counseling are offered all year and there are camps for youth, teens, and families in the summer. Contact Inez Schultz at North Hawaii Hospice 885-7547 or inez.schultz@northhawaiihospice.org. You can also contact Vikki Adams at WES, 887-7636 x235 for summer camp applications. There are some scholarships, so given enough notice, they can arrange air travel to outer island camps.

Spirit Card Wrap-Up

Thanks to all our students and families for another great fundraiser. WES kids raised over \$3,500 to support student incentive programs, like the Million Words Goals, Field Day, etc.

Ongoing Fundraising Opportunities

- **Box Tops for Education:** this successful program is being handled by the Waimea Elementary School Student Council and funds collected will be determined by the students elected to be part of Student Council. Collecting box tops costs no money and the students learn valuable lessons on sorting, counting, and submitting the box tops, plus there are tons of educational opportunities around teaching the kids how to use the funds they collect. Watch your child's Thursday envelope for collection sheets!
- **Oliver's Labels:** Oliver's Labels is a great company offering a wonderful product to help you keep track of your kids' belongings. Keep your child's things out of lost-and-found by labeling them with your child's name and your contact information. Labels are specially designed to stick to clothing, shoes, school supplies, etc. The best part? A portion of sales gets returned to Waimea Elementary!!
