

♪ The Physics Song Project ♪

- ♪ Each song must be at least 2 minutes long, but no longer than 3 minutes.
- ♪ Your song must be based on a unit that has already been, or will be, covered this year (it's okay to have 2 or more groups pick the same unit).
- ♪ Your song must contain 25 facts.
- ♪ Make your own groups (no more than 6) or perform a solo (only if you really want to).
- ♪ All group members must fully participate (as in sing).
- ♪ Use a song that already exists (but change the lyrics) or make one of your own.
- ♪ While it's not necessary, I do recommend you find the instrumental version of a song (but please don't play a song with lyrics and try to sing over the lyrics).
- ♪ Make sure to announce your lyrics – the audience must understand what you are saying.
- ♪ Your song lyrics and performance must be school appropriate – please don't unpleasantly surprise the audience.
- ♪ Your performance must be entertaining
- ♪ The use of props, costumes, and/or instruments is encouraged.
