## 1. PURPOSE

To establish guidelines for Graduation Credits for Special Education Students.

## 2. PROCEDURES

- A. Credits toward graduation may be earned in English and Mathematics through regular Education courses.
- B. All other required credits in various subjects, (i.e., U. S. History, Contemporary Issues, Science, Physical Education, etc.), must be earned in regular classroom courses.
- C. Special Education students will be taught in inclusion type formats. This requires a regular education teacher and a special education teacher in a co-teaching model.
