Day in the Life of an Archbishop Ryan Student

Dear Parents and Students,

It is normal to be both excited and nervous about your Shadow Day.

Sometimes, it's the parents that are more nervous. I assure you, the administration and faculty at Archbishop Ryan are prepared to provide you with the ultimate Shadow Day experience. All you need to bring is a positive attitude and a desire to learn. I will explain all about your day when you arrive.

WHAT YOU NEED TO KNOW

1. Please arrive at 7:45 am (parents should escort the child)
2. Report to the President's Office via the South entrance
(There is a statue of St. Francis at the door)
3. Wear your school uniform
4. You do not need to bring anything at all – you will be given pencil and a packet with everything you need for the day
5. You may carry a cell phone in your pocket but it must be off during school hours
6. You will receive a lunch pass for a *free lunch* in the cafeteria
7. You will be dismissed at 1:45 and can be picked up in the President's Office.

Thank you for allowing your child to experience a day in the life of an Archbishop Ryan student.

For more information, please contact me.
