

GEOMETRY – IMPORTANT INFORMATION

- Final Exam
 - First Period: Wednesday June 13th
 - Sixth Period: Friday June 15th
- What you need for the day of the Final:
 - Binder (see below)
 - Homework Packet of Review Assignments
 - “Cheat Sheet” (see below)
- Binder Check
 - On the day of your Final Exam
 - Must have all notes, homework, and miscellaneous papers from 2nd semester organized
 - Need sections of binder organized and labeled (see syllabus for more information)
- Cheat Sheet
 - You can write on both sides of an 8½ inch x 11 inch piece of paper.
 - The notes must be in your own handwriting.
 - NO typing & NO photocopying (NO funny business)
 - Must be turned in Tuesday June 12th during your class
 - If you are absent on Tuesday, then it must be turned in Wednesday BEFORE school
 - NO cheat sheets will be accepted once finals begin on Wednesday...NO exceptions
 - Will be passed out during class for your use on the final and collected at the end of class
- Important Notes
 - Don't forget the Final is 15% of your overall grade
 - Your Final Exam grade will replace your lowest test score only if you complete all of the review assignments leading up to the final
 - If you do not complete all of the review assignments then your lowest test score will NOT be replaced by your final exam score
