The Columbian is a newsmagazine published by the Columbia High School newspaper staff. Its purpose is to inform, entertain and support the student body. Opinions are those of the students and not necessarily those held by the faculty or administration.

The Roughnecks are pumped for football season! What day of the year is most spirited at CHS? Homecoming! The festivities will kick off first thing in the morning on September 27th. The theme for the day is "Hollywood Homecoming" so the student body should start thinking about who they want to dress like.

This year, the Columbia Roughnecks will be playing the Hempstead Bobcats for the homecoming game. The game is, of course, the focus of the day, but the preparations for the spectators are what make this event memorable.

Traditionally, boys buy mums for girls and girls buy garters for boys. Having an actual homecoming date is not as prevalent as it was in years past, so today,

many parents buy mums for their girls. Gone are the days of the big, fresh (not artificial) white flower with long ribbons and assorted decorations hanging to the floor. In the 21st century, the smaller, more delicate and hassle free wrist and finger mums, are far more popular.

Speaking of popularity, there are a few things Ms. Shank would like students to know: "If students are interested in being in the Homecoming Court, the ceremony will be held before the game, on September 27th. The different organizations will nominate a senior girl and a senior boy to represent them in the Homecoming Court. Underclassmen will be nominated by their peers in their English class," said Shank.

HOMECOMING

Mrs. L. Jones

Q. Will there be a special theme for the Pep Rally?

Q. Is there anything you would like to add about the homecoming game?

A. "Show school spirit, come out and support your Roughnecks!"

Coach Jake Carr

Q. Do we have a good record of winning homecoming games?

A. "I've coached 217 varsity football games here at CHS, I don't remember them all, but I would say we are a little better than 60% in homecoming games in my 20 years."

The organization has over 250,000 members in over 120 countries around the world. Each

We bleed MAROON!

The Roughneck varsity football team gets off to a great fall season with 2 wins. The boys sure put their mad skills on display with their wins against Brazosport and Needville. The 'Necks played against the Brazosport Exporters on August 30, 2013, to bring home their first win. Game stopper Hunter Grayson, #15, intercepted the ball ending the game with the score of 35-33. On September 6, 2013, the Roughnecks gained their second victory by defeating Needville, 33-21.

Last December Coach Lynch set a goal to, "develop better athletes through our strength and conditioning program; then helping the team develop their skills during the fall camp throughout the season." Given the recent wins, these techniques must be working!

Go Roughnecks!

The Lady 'Necks are back... BACK AGAIN! The varsity team consists of the returning varsity players and newbies Celeste Loughman, Bailey Salas, and Tiera Thomas! Sweeny won district last year, but we hope to bring home the title this year. With a better understanding of the game and improved skills we are sure to put up a fight. "Our team this year is filled with tons of inexperienced yet talented athletes. The girls just need more confidence in their abilities to win matches," said varsity coach Shelly Murphy.

Good luck, Lady Necks!

Are you strong enough to run Cross Country? How about running two to three miles in the hot and humid Texas weather? Only a few rise up to the challenge. These determined and dedicated runners are the Columbia High School Cross Country team. On September 7, 2013, the Brazoswood Cross Country meet was sadly cut short due to bad weather. Our runner, Anthony Jimenez, placed 5th in JV division. Following close behind was, Keenan Maxie, receiving 16th place. Congratulations to our Cross Country team on a job well done at the recent meet!

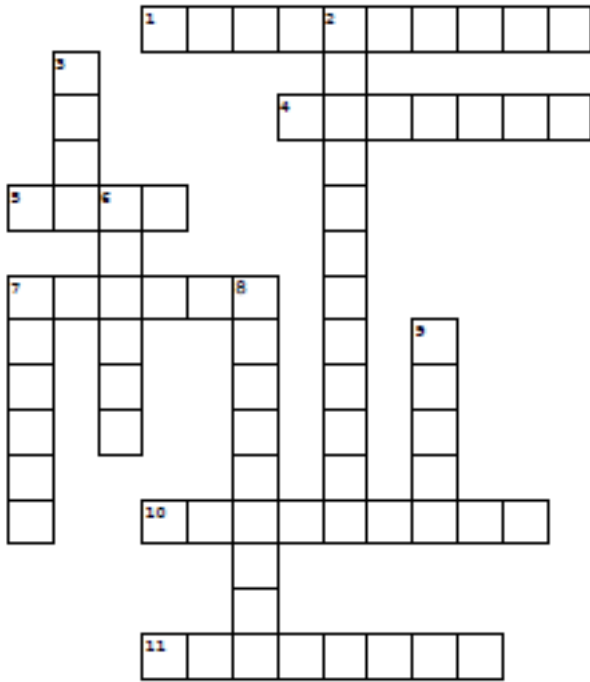

Some participants see Cross Country as a way to stay in shape for other sports or just for good health. The progress and their rewarding medals are an added bonus, but varsity runner, Keenan Maxie has different motivations, "Cross country gives me the opportunity to participate in a high school sport, and it drives me to show the best of my ability." said Maxie.

Keep up the good work, guys!
