

Website Scavenger Hunt

Directions: Use the following three websites to find the answers to the scavenger hunt questions below. Write your answers on the back of this paper. You should have already received the information needed to log onto these sites. If your user name and password is not working see Mr. Wong or email him at (keith_wong@notes.k12.hi.us). Do not wait until the last minute to do this assignment in case any problems occur.

- **Moanalua Middle School Homepage** (<http://www.moanaluumiddle.org/>)
- **SnapGrades** (<https://snapgrades.net/login/?11850>)
- **Teenbiz3000/Achieve3000** (<http://web.teenbiz3000.com/>)

Moanalua Middle School Homepage

1. Describe one of the pictures in the top banner of the site (the pictures behind "Moanalua Middle School")
2. Look at the "Bulletin Board" and find out who is our new VP and what schools did he previously work at?
3. Look over the "Upcoming Events" section. What event is taking place on August 17, 2009?
4. What are at least 5 things that can be found under the "Students" drop down menu towards the top of the screen?
5. What high school did Mr. Wong and Ms. Lee graduate from?
6. What documents can be found under the "Class Documents" link from Mr. Wong's page?
7. What is the 3rd link that can be found after clicking on the "Links" link from Mr. Wong's page?
8. How many homework assignments can be found under your period from Mr. Wong's page?

SnapGrades

1. What color is the background once you log into SnapGrades?
2. How many classes do you currently have grades for? List them.
3. In Social Studies, what was the first assignment that is listed?
4. In Social Studies, what is the description of the 2nd assignment that is listed? (hint: Click on the arrow before the name of the assignment.)
5. What is your current grade in Social Studies?
6. What is your current GPA? (hint: Report Card)

Teenbiz3000/Achieve3000

1. What is the title of the current feature article of the week? (Hint: What's New)
2. Click on the "Search" link towards the top of the page. Type in the word "cats". What is the name of the 1st article that appears from the search?
3. How many total results did the word "cat" give?
4. Pick another word. Write it on your paper. Then search for that word using the search function. How many results did you find for your word?
5. Pick any article that you did not already do. Read the article and then complete the "Activity" questions. When you are done, write down your scores.
