BIDDER REFERENCES AND RESPONSIBILITY INFORMATION

The District expressly reserves the right to reject the bid of any bidder who, upon investigation, has been determined to fail to complete similar contracts in a timely fashion or in a satisfactory manner. Such rejection would, if applicable, be based upon the principle that the bidder is "non-responsible" and poses a substantial risk of being unable to complete the work in a cost-effective, professional and timely manner.

In performing the above-described responsibility determination, the District reserves the right to utilize, and bidder agrees to provide the District with, all possible sources of information in assisting District to make its determination, including but not limited to: inquiries to regulatory state Boards and agencies; Dun and Bradstreet credit reports; bidder's most recent financial statements (unaudited or audited, as requested by District); inquiries to companies and public entities for which the Contractor has previously supplied products; reference checks and examination of all public records.

The bidder must also demonstrate knowledge of school nutrition program requirements and should have a minimum of five (5) years experience supplying the products in this solicitation for a public agency. This knowledge and ability shall be shown by furnishing the names, current phone numbers, address, points of contact and products supplied of at least three (3) public agency customers served within the past three (3) years with requirements similar to the needs of the William S. Hart Union High School Project.

FAILURE TO FURNISH THE REFERENCES AND OTHER INFORMATION AS REQUESTED (IN THE COMPLETE FORMAT REQUIRED) MAY CAUSE YOUR BID TO BE REJECTED AS NON-RESPONSIVE.

CERTIFICATION OF COMPLIANCE WITH IMMIGRATION LAWS

Project/Bid Package: _____

Contractor: _____

The Immigration Reform and Control Act of 1986 and other federal immigration laws (the "Immigration Laws") require that an employer must verify the identity and eligibility to work in the United States of each employee hired after November 6, 1986, by completing an Employment Eligibility Verification Form (also referred to as Form I-9) for all employees, whether or not they are United States citizens. The Immigration Laws prohibit employers from knowingly hiring or knowingly continuing to employ individuals who are not eligible to work in the United States. An employer may have actual knowledge of an employee's ineligibility or may have constructive knowledge of ineligibility (i.e., facts and circumstances that would lead a person, using reasonable care, to know about the ineligibility). Employers that knowingly hire or knowingly continue to employ individuals who are not eligible to work in the United States are subject to civil and criminal penalties, including possible incarceration.

The undersigned hereby certifies, subject to penalty for perjury, that:

- (i) The undersigned is a duly-authorized representative of the Contractor and, in that capacity, has executed this certification on behalf of the Contractor;
- (ii) The Contractor is in full compliance with the Immigration Laws with respect to each and every one of its employees, and the Contractor does not knowingly employ any individual who is not eligible to work in the United States;
- (iii) The Contractor, as required by the Immigration Laws, maintains and makes available for inspection a copy of Form I-9 for each of its employees, regardless of immigration status;
- (iv) The information below, if checked, is true and correct as of the date this certification was signed (check as appropriate):
 - ☐ The Contractor has a written policy regarding compliance with the Immigration Laws that it provides to all personnel with any responsibility in connection with the hiring of the Contractor's employees;
 - ☐ The Contractor verifies the eligibility of each employee that it hires through participation in the "E-Verify" program operated by the U.S. Department of Homeland Security;

CERTIFICATION OF COMPLIANCE WITH IMMIGRATION LAWS (Continued)

- (v) The Contractor acknowledges and agrees that the District shall reject the Contractor's bid in connection with the Project as being non-responsive if the Contractor: (1) does not certify that it is in full compliance with such immigration laws; or (2) fails to submit, with its bid, a duly completed and signed copy of this Certification of Compliance with Immigration Laws form;
- (vi) The Contractor acknowledges and agrees that, if the District awards a contract to the Contractor in connection with the Project, it shall be a breach of the Contractor's obligations pursuant to such contract and grounds for immediate termination of such contract by the District, if: (1) any certification by the Contractor set forth herein is false; (2) the Contractor, now or at any time during the term of the contract, knowingly employs any person who is not eligible to work in the United States; or (3) any governmental agency or court determines, at any time during the term of such contract, that the Contractor is not in full compliance with the Immigration Laws;
- (vii) The Contractor acknowledges and agrees that, if the District awards a contract to the Contractor in connection with the Project, the Contractor shall be deemed and construed to have hereby agreed to indemnify and hold-harmless, to the maximum extent permitted by law, the District, the District's Governing Board and each member thereof, and the District's other officers, employees and agents, and each of them, from and against any and all claims, demands, actions, damages, losses, costs and expenses (including, without limitation, attorney's fees), and other liabilities of any nature whatsoever that arise from any failure by the Contractor to be in full compliance with the Immigration Laws.
