### U.S. Presidents' Project

You will be assigned a U.S. President. You will find and present the following information about your President to the class. You may not just read it to us. You may use note cards to tell us about your President. You may use power point or any other illustrative means to show us pictures of what you are talking about.

1. Date of birth.
2. Date of death.
3. Cause of death.
4. Years in office as President.
5. Political party or parties representing.
6. Major interests.
7. Education.
8. Home-location, pictures or illustration if possible.
9. Family (wife, son(s), daughter(s), etc.
10. Major accomplishments while in office.
11. What was happening around the world while he was President?
12. What other political service did he render besides being President?
