Reason for policy: Being on time and preparing to learn is crucial in the academic success of our students. Students whom are perpetually tardy are not preparing themselves properly for the school day and are also setting themselves up for more difficulties as they move to the next level of education.

Philosophy: - Academic success is directly correlated to attendance and tardies. Administrators, teachers, students, and parents must work together to make sure students are present and on time to each class of the day. There must also be a strong effort by each person in our community to help students arrive to class on time and be prepared to learn. We are here to partner with you for the success of your student. Please contact the school office should you have questions or concerns about this policy or any others.

****Tardy Policy will go into effect on the first day of school, August 13, 2012. ****
